### **HARBOUR HILL TRANSPORT FARES**

The Harbour Hill Transport\* Fares have been increased as of Thursday 10th April 2025.

The Adult one-way fare is now £1.80. The Child one-way fare remains at 50p.

Adult fare applies to ages 14 and up. The Child fare applies for those children aged between 5 and 13. Babies & children up to the age of 4 travel free.

The increase to the Adult fare allows the operators to keep the Child fare at a family-friendly 50p when the contract would allow them to charge much more. Feedback from contractors and public confirmed this would help our island to be family-friendly.

Thanks to both Tractorbus\* operators for the service they provide to islanders and visitors.

At current rates of inflation, it should be possible to hold these fares throughout 2025, 2026 and perhaps 2027.

(\*For visitors to Sark, Harbour Hill Transport, Tractorbus and Toastrack are all the same thing. Custom-built to take people up the Harbour Hill on arrival and back down again at the end of their visit. Please note that luggage/bags are not taken on the Tractorbus. They are to be left at the harbour and will be delivered to your Sark address by the carters via tractor and trailer. Please ensure that they are labelled with your Sark address. The Tractorbuses meet every scheduled Sark Shipping boat – just walk through the tunnel to the bottom of the hill and they'll be there. You'll see why we call them Toastracks!)
