

ACES FOR ALEXANDER
2026 Sponsorship Opportunities

May 9, 2026 - Mercer County Park Tennis Center

ABOUT ALEXANDER'S WISH FOR KIDS

Alexander's Wish For Kids is a 501(c)(3) nonprofit organization created in memory of Alexander Michael Dodson, a healthy and happy 19-month-old toddler who tragically passed away in December 2008 due to Sudden Unexplained Death in Childhood (SUDC).

To honor Alexander's memory, we created Aces for Alexander, which raises funds for college scholarships for graduating high school seniors. Our 2nd Annual Aces for Alexander event will take place on May 9, 2026. Proceeds from the event will fund scholarships for students entering college in the fall of 2026.

Starting college is an exciting milestone for many families. It is a milestone we never had the opportunity to experience with Alexander. Through this fundraiser, we honor his memory by helping other students begin their college journeys.

ABOUT SUDDEN UNEXPLAINED DEATH IN CHILDHOOD (SUDC)

Sudden Unexplained Death in Childhood refers to the sudden and unexpected death of a child between the ages of 1 and 18 that remains unexplained after a thorough investigation, including an autopsy.

Often a seemingly healthy child goes to sleep and never wakes up.

According to the Centers for Disease Control (CDC), in 2024 SUDC affected:

192 children ages 1-4
48 children ages 5-9
44 children ages 10-14
134 teens ages 15-19
