ABOUT ME

I'm a Career Professional with 20+ years of experience as an Employment Counsellor, Career Coach, Resume Writer, Workshop Facilitator, Recruiter, Speaker, Mentor, Employment Program Manager and Director.

My current focus is on career strategy and mindset, and how these impact career satisfaction and success. It's my belief that when people become confident career managers, they positively impact the performance of those around them and help to create an ownership culture in the workplace. Essentially, I'm all about the win-win when and wherever possible.

Oh yeah...I also have 11+ years of experience as a Fitness Instructor, so my presentations are all about bringing the energy, having fun and taking action.

WHAT I SPEAK ABOUT
