

TESS JURGENS

Speaker • Author • Coach

CREATIVITY TRANSFORMS! Tess Jurgens, PhD, is an executive coach helping leaders unlock their full potential and realize goals through collaboration and accountability. With a vibrant presence on stage, she energizes and motivates audiences to convert ideas into actions by applying a customized creativity toolkit. With broad-ranging industry experience, Tess is known for inspiring innovation and team growth in petrochemicals, food and beverage, household appliances, publishing, and more. She is the author of **The Innovation Book Series** (available at Amazon) and the forthcoming **Project Me** series for Creative Christian Leaders.

WHAT ATTENDEES SAY

Your presentation was genuinely amazing; it really ignited my thought process and provoked immediate reflection on my own personal goals and objectives. Thank you for such an insightful and engaging session. – LF

I just wanted to express how empowered you made me feel. I've been reminded very powerfully that project management is my dream job. Thanks! - DT
