- **Jobsite Campus**

SOFTWARE SUITE

- **Project Management Software**
- **Augmented & Virtual Reality Software**
- **Asset Tracking**

Our **BUILDING SOLUTIONS** business continues to be your full-service **MATERIAL SUPPLIER & CONSULTANT** sourcing, managing and procuring ANY building material for your specific project.

- **Material Estimating & Budgetary Costs**
- **Presentation Drawings**
- **Specification and Substitution Consultation**
- **Competitive Bid Solicitation & Invoice Auditing**
- **Cost Control Advisement & Negotiation**
- **Mock-Ups and Submittal Packages**
- **Procurement with Flexible Credit Terms & Credit Lines**
- **Product Management (Design + Delivery + Installation)**
- **SBE & DBE Certification to meet your project's 'Set-Aside' requirements**

La Terra is an outsource partner, allowing our clients to differentiate themselves to owners and general contractors by offering value-based deliverables without disrupting their core service expertise.

As a minority woman in construction with a degree in Engineering & over 18 years of experience in Construction, La Terra's team approach is unique and intuitive with a high aptitude for detail.

Please reach out, the earlier La Terra is involved in the design and construction process, the more fully realized the benefits.

Let's work together,

Cynthia (213) 248-5422m | **CM-BIM** | Owner La Terra
