Club Run To Battleship New Jersey Museum and Memorial

We are planning to join members of the Positive Earth Drivers Club on **Saturday, September 19th** for a Run to the Battleship New Jersey located on the Camden Waterfront.

The website (<https://battleshipnewjersey.org>) is very informative and shares the following about Battleship New Jersey:

“It’s one of the most engaging family attractions in New Jersey and a must see for history lovers....” And, “Step into history as you explore the longest, fastest and most decorated U.S. battleship ever built.”

It will be an all day event and certainly a very memorable one. Mark your calendars. Details will follow shortly.
