

This year's exhibit runs from February 8th through February 23rd and will feature a broad selection of Lotus racing and road cars. The Museum will also use this event to unveil the most recent addition to its collection.

If you are interested in joining an NJTA trip to the Simeone for the Best of Britain Exhibition, please contact Peter Nelson at PNe3170264@aol.com .

Please indicate your preference for weekday or weekend. The museum is usually much less crowded on a weekday and the sports cars are more accessible for viewing.

We may carpool or we may meet up at the museum, that will be determined by your responses. Also, please keep in mind that the weather may affect our plans and cause us to reschedule or cancel.

Share a meal afterward? That would depend upon your preference and the availability of local eateries.

An inquiry will be made regarding the possibility of a club or group rate for museum entry.

The Simeone Foundation Automotive Museum is located at 6825 Norwitch Drive in Philadelphia, PA 19153.
