## TRIUMPH TECH SESSION

The New Jersey Triumph Association along with William Thomas Roadsters & Son will be holding a fundraiser to benefit **Passaic County Habitat for Humanity** on **Saturday May 16<sup>th</sup> from 10am - 12pm.**

You are invited to a tech session in support of Passaic County Habitat for Humanity in their efforts to help build homes and strengthen communities. By contributing to Habitat we can help local families by building homes, communities and hope through homeownership.

Bill Thomas, owner/operator of William Thomas Roadsters & Son, will address a subject that's useful to every Triumph owner - regardless of your technical prowess or the size of your tool box - an in depth review of detailing techniques.

Think you know how to clean, polish and protect your baby? Well, think again!

Morning coffee and donuts will be provided. Afterward, we'll go over to Chez Daniel in Frenchtown for lunch (at the participant's expense). The owner, Mr. Daniel Gras, will be donating a portion of the day's profits to PCHF.

We hope you can join us, rain or shine! Your support and generosity are very much appreciated. Donations are being accepted now (a QR code is included below) and at the event.

*(RSVP and questions to Peter Nelson at [PNe3170264@aol.com](mailto:PNe3170264@aol.com). Please indicate if you will be going to Chez Daniel with us. WTR address will be provided prior to the event.)*
