Keep 'em On The Road

Victoria British Ltd., in the person of owner Becky Hanrahan, has been a regular NJTA event sponsor over the years and Victoria British will also be supporting the VTR National Convention this August.

If you're keeping an Austin Healey, MG, Sunbeam, or Triumph on the road, Victoria British has you covered with over 15,000 British car parts in stock. You can order online 24/7. And they ship most orders complete within 24-48 business hours.

Keep a catalog handy, or more than one... for your Austin Healey, MG, Sunbeam or Triumph. They're easy to read, fully illustrated, and free. Many enthusiasts use them as reference "books", because they can be counted on to provide clear and accurate information.

The Victoria British catalogs contain detailed listings in the following areas: Auto Body Parts, Interiors, Electrical, Engine, Heating, Lamps, Radiators, Bumpers,

Body Parts, Brakes, Clutch, Weatherstrip, Grilles, and Suspension. Plus many more parts and accessories for the TR2, TR3, TR4, TR4A, TR250, TR6, TR7, TR8, Spitfire, and GT6.

In addition to the routine Search functions by marque, year, and individual part, there is also a Search tool for Featured Parts. Enter the make, model and year of your car and it returns all appropriate part selections in groupings - from Accessories to Windshields. Click on each thumb nail and proceed to receive further details on Price, Product Information, Notes, Application, Part Number, and a Description. Very useful.

Additionally, in the "Garage", there are original parts books, workshop manuals, and driver's handbooks available on DVD. There are four Triumph DVDs covering the TR2 to TR250, the TR6, the TR7 and TR8, and the Spitfire and GT6.
