

NJTA Tech  
Session  
April 15th  
10am to 12pm

## PRE-FLIGHT CHECK

Spring is almost here. Is your Triumph roadworthy? Are you ready for a smooth transition from the garage to the roadway?

Before you go Machbusting or making any bat turns, it's best to run through a detailed pre-flight check. Especially the first time out. And then again before each drive, be sure to inspect your vehicle as well.

Bill Thomas, owner of William Thomas Roadsters, will review his 16 point Pre-Flight Checkup with us and take our questions at his shop in Frenchtown, New Jersey. You can see Bill's checklist in the March issue of the Coventry Chronicle.

Morning refreshments will be available at the shop. We will be gathering for lunch (at participant expense) at the Sky Cafe in the Sky Manor Airport located in nearby Pittstown.

Please RSVP by April 10th to Peter Nelson at [PNe3170264@aol.com](mailto:PNe3170264@aol.com) if you will be attending. And please indicate if you will be going to lunch with us after the tech session.

Also, please bring your own chair to the tech session if you would like to sit down. Directions to William Thomas Roadsters will be distributed to all participants prior to the event.
