

SUMMER VILLAGE *of* BONDISS

Municipal Development Plan and Land Use Bylaw Project

BACKGROUND

In 2022, the Summer Village of Bondiss engaged Municipal Planning Services (MPS) to assist with the preparation of a new Municipal Development Plan (a requirement of the Municipal Government Act) and a focused review and modernization of the Summer Village’s current Land Use Bylaw. Through 2022 and 2023, Summer Village Council, Administration, and MPS has been preparing and reviewing draft copies of the Municipal Development Plan (MDP) and Land Use Bylaw (LUB).

In May 2022 the Summer Village launched an online survey for the MDP and LUB review and update project. The purpose of the survey was to gather community input on some key land use and development topics in the community. In total, 46 responses were submitted. All feedback was shared with Council and was considered in the development of the draft MDP and LUB documents. These draft MDP and LUB documents are now available to view on the Summer Village’s website: <https://bondiss.com/mdp%2Flub-updates>

OPEN HOUSE

The draft MDP and LUB documents are now ready to share with the community. The Summer Village and MPS will be hosting an informal online open house to share information about the draft MDP and LUB, and to provide opportunities for community members to ask questions. The open house is being held online to provide as many community members as possible the opportunity to participate regardless of their location. The open house will be recorded and posted online shortly after, so the information discussed will be available for anyone unable to attend live.
