

# POLICY

## 02-2025

---

### SUMMER VILLAGE OF BONDISS

### SNOW REMOVAL POLICY

**EFFECTIVE DATE:** March 18, 2025

#### **PURPOSE**

The purpose of this policy is to establish guidelines for the removal of snow and ice from public roads within the Summer Village of Bondiss to ensure safe and accessible passage for residents and visitors.

#### **SCOPE**

This policy applies to all municipal roads and other properties maintained by the Summer Village of Bondiss.

#### **POLICY STATEMENT**

1. Snow removal operations shall commence when snowfall accumulation reaches **10 cm** or when conditions create hazardous situations.
2. Priority shall be given to main roads, emergency routes, and high-traffic pedestrian areas.
3. Snow shall be removed in a manner that minimizes obstruction to driveways, mailboxes, and public access points.
4. Ice control measures, including sanding and salting, shall be implemented as necessary to enhance safety.
5. Residents are responsible for clearing snow from their own driveways and walkways.
6. Piled snow shall not obstruct sightlines at intersections.
7. Contractors shall be used efficiently to complete snow removal in a timely manner.

8. Residents who use their properties in the winter must place red flags at the end of their driveway on each side to ensure contractors do not leave a windrow blocking their driveway.

#### **RESPONSIBILITIES**

- The Municipal Administration shall oversee the implementation of this policy.
- Contracted snow removal services shall perform snow clearing operations.
- Residents are encouraged to report hazardous conditions to municipal authorities.

#### **REVIEW AND AMENDMENTS**

This policy shall be reviewed every four years or as necessary to remain aligned with best practices and community needs.

**APPROVED BY COUNCIL ON:** March 18, 2025
