DEAR FRIENDS - LISA AND FAMILY.

First receive much and warm greetings from your friend Dureen. Hope you are fine. I and my family members are praying for you.

Here at school I am working hard in order to attain my goal. I am working hard so that I will be promoted to the next class.

I am praying for you so that you may live long in this world. I am thanking you for support you have offered to me. I greet your family members in Jesus name.

I thank you for school fee which you offer to me and I am asking you to continue with the same spirit.

My family members are thanking you and praying for you. I always go to Sunday school and my friends. May God bless you and live long in this world.

Yours faithfully,
Dureen Mukami.
