

Hello Lisa.

Trusting that God is continuing to take care of you and the entire family, here at St Peters we are doing fine continuing with the Great to hear that Sam and Lana are getting on well and Jesus' spirit of service propelled by love especially for the less fortunate, continue to give them the impetus to continue looking for funds to sponsor Children in St. Peters. I am so happy for this effort and sincerely appreciate this generosity of the entire family. Stay assured of our love and prayers.

I was undergoing some hard moments here related with the ministry which destabilized me from responding swiftly. Here the Land is not demarcated and the process is going on. Church lands are targeted by grabbers during this time when official documents for land ownership are being put in place. This demands you to be there physically lest the Church land will be grabbed. It is a very demanding task but being the pastor I have to do it. Pardon me for this delay please.

About the sponsorship, the children we considered are five. When you communicated that the money was available, the children who were not in St. Peters had already been in the systems of their former schools. I advised the parents to hold on so that the sponsorship can pick from this January 2015. For Doreen Mukami, Beth Kangai and Denis Mawira, their fees for the year 2015 is preserved in our Kenyan bank. For Denis Mwenda and Terry Mwende, I paid their fees for the second and third terms 2014. So we have fees for their first term 2015 which ends in April 2015. They are all from very poor families joining St. Peters in January

On 18th Nov. 2014, we had interviews and Doreen, Beth and Denis did very well They are now very excited to join St Peters in January.

My Uncle Fr. Bernard has visited St. James and you can greet him and tell him of the wonderful exercise of Sam and Lana to help a child in Africa.

Any other question concerning the entire deal, feel free to ask Lisa, I will be swift.

Thanks for now send sincere regards to your kids Sam and Lana.
Yours in Christ service,

Fr. Franklin Njabani
