Happy Jack Chalk Mine Association uses sign-up sheets for tracking and estimating hourly rate of volunteer labor. These sign-up sheets are compiled and recorded in a report, in which the information can be used in grants and internal accounting listed as In-Kind services. Our Project on volunteer work has average 11 hours per person. HJCMA has surpassed over \$20,000.00 In-Kind labor within 2025. The National average for value of a volunteer hourly labor to be \$34.79.
