

NEXT TRICK BREWING

Current Tap List

HELLE-IN-ONE 🍺 Helles Lager ABV: 5.5%

Malt-forward and fuller-bodied than a traditional light lager or all-malt Pilsner, this Helles style lager offers a softer, slightly sweeter bready taste with a much milder bitterness for an easy drinker.

CALEDONIA COMMON 🍺 California Common ABV: 5.6%

This California Common style beer merges lager yeast with ale fermentation temperatures, creating a smooth and tasty brew that follows techniques originating from the gold rush era. A deep copper color reflects the balance of toasty and maltiness with the slightly woody and spicy aroma from the Northern Brewer hops, a signature of the style. Hint of caramel sweetness at first taste.

LANGSAM LAGER 🍺 Vienna Lager ABV: 4.3%

An amber lager with malt-sweet aroma and slight toastiness. A lingering off-white head with medium carbonation.

PAT NOIR 🍺 Schwarzbier ABV: 5.8%

A clear black lager with a lasting tan head. Coffee-like roast aroma followed by light sweetness. Clean malty flavor with a dry finish.

WILLOUGHBY WHITE 🍺 Witbier ABV: 5.4%

A Belgian witbier with spice and fruity aromas from the yeast and the zests of grapefruit, lemon, lime, and orange.

NEKIPA* 🍷 New England style IPA ABV: 7.5%

A New England style IPA, generously dry-hopped and characterized by intense citrus fruit flavors hidden beneath its opaqueness.

TRIPEL RINGER* 🍷 Belgian Tripel ABV: 9%

A juicy Belgian Tripel ale, slightly darker than a classic Tripel from substituting dark maple syrup for cane sugar. Notes of coriander and citrus. Given the high ABV without the alcohol heat, it's a smooth sleeper.

BALD HILL PILS 🍺 Czech-style Pilsner ABV: 5.4%

A clear pale pilsner made in the traditional Czech style with Saaz hops. This creamy smooth refreshing brew with a crisp balance of toasted sweet aromas and gentle hop flavor is a crowd pleaser.
