## 1. About Us

Schaffer Solutions is a vendor neutral technology advisory firm based in the Kansas City metro. The Site provides general information about our firm, our approach, and tools such as our online Technology Analyzer. The Site is intended for businesses and professionals.

## 2. Use of the Site

You may use the Site for lawful business purposes only. You agree not to:

- Use the Site in any way that violates applicable law or these Terms.
- Attempt to gain unauthorized access to the Site, its servers, or any connected system.
- Interfere with or disrupt the operation, security, or availability of the Site.
- Introduce malware or any harmful code, or use automated means to scrape or harvest content or contact data.
- Misrepresent your identity or submit false information through a form or assessment.

## 3. The Technology Analyzer and Free Report

The Technology Analyzer and any report it generates are provided for general informational purposes only. The report is a preliminary, automated first draft based on the responses you provide. It is not a formal assessment, a recommendation of any specific vendor or product, a quote, or professional advice, and it does not account for the full context of your business.

Any engagement with Schaffer Solutions is governed by a separate written agreement. Using the Site or generating a report does not create an advisory relationship, and nothing on the Site is a binding offer. We may update, change, or discontinue the Technology Analyzer at any time.

## 4. No Professional Advice

Content on the Site is general in nature and may not apply to your specific circumstances. It does not constitute technology, legal, financial, or other professional advice, and it should not be relied upon as the sole basis for a business decision. You are responsible for evaluating the suitability of any information for your situation and for obtaining independent advice where appropriate.

## 5. Intellectual Property

The Site and its content, including text, graphics, logos, the Schaffer Solutions name and wordmark, frameworks, and the layout and design, are owned by Schaffer Solutions or its licensors and are protected by intellectual property laws. To the fullest extent permitted by law, our total liability for any claim relating to the Site will not exceed one hundred US dollars (100 USD).

## **10. Indemnification**

---

You agree to indemnify and hold harmless Schaffer Solutions and its members, officers, and contractors from any claims, damages, liabilities, and expenses, including reasonable attorney fees, arising out of your misuse of the Site or your violation of these Terms or of applicable law.
