 3. All entries will be judged and eligible for an award/s

 7. Judging teams will utilize the "open judging" system for assessment of each entry and may award a Gold, Silver, or a Bronze medal based on the degree to which that entry meets the craftsmanship standards set forth in the IPMS/USA Competition Handbook. The judges may award more than one of each medal in each category.
 8. Entries will be judged with the utmost fairness and integrity, and in a constructive and positive manner. No judge will be permitted to judge their own entries..

- #### Display-only area
- A dedicated area/tables will be available to all registered entrants: Anyone attending the convention can display a model in this area. It's a way to showcase a modeler's work, even if it has already won an award at a previous show or they simply wish to share it with others.
 - Models displayed in this area will not be charged an entry fee, however a general admission or contest admission is still required to display these models.
 - Space may be limited: The host committee may limit or eliminate the option if they need the space for the main contest.
- *Entries may depict realistic, hypothetical, or fictional subjects and may be from any contest category. (See the full award definition and eligibility requirements on our website and Facebook page)
