

***“As an art historian, I see in his work the strength and tradition of European expressionism and surrealism, which we know has a significant following internationally”*** – J. Brooks Joyner,  
Director, Vancouver Art Gallery

***“Ursus paints the mood, the psychology and the complex inner life of humanity...”*** – Oktavia Gallery

***“... Ursus looks unflinchingly at our all too human foibles and manages to find beauty in the most unexpected places.”*** –  
Artspeak, New York

***“Ursus oil paintings strip the mind of intellectual thought and leave it naked in the face of raw emotion.”*** – Island Life

***“For all the squalor of his subjects, he has the sympathetic view of humankind that one invariably finds in a great social satirist.”***  
– Artspeak, New York

***“Almost all his paintings hit directly in the solar plexus.”*** –  
Vancouver Sun

***“I know a painting is finished when it hums.”*** – Gabriel von Ursus
