HLCA Memberships and Information 2022

We as the HLCA board want to extend memberships to every household in Hawks Landing, Nest, and Timbers at no cost. Please send your name(s) and address if you are interested to hlcommunityassociation@gmail.com and we will register you. That will afford you one vote per household for community association meetings when a vote is held.

Our community association is a social committee to offer fun, family and community events to local residents. We will also be joining up with neighboring communities like Priddis for events. The Stampede Breakfast Sunday July 17, 2022 was a great event. Over 800 people came for breakfast and several Hawks Landing, Nest, and Timbers residents volunteered and attended.

HLCA has appointed our vice president Deborah Schippmann as a co-chair on the Priddis Greens **Fire Smart Committee** and they will be working with us on future community initiatives, meetings, and grants. Our board also appointed president Genevieve Hunter as co-chair on the Priddis Greens **Emergency & Evacuation Committee** and future evacuation maps and plans are being worked on for both communities.

If you have any questions for our board please contact us at hlcommunityassociation@gmail.com
