Yellow – Watering permitted Wednesdays, Saturdays

Watering hours: Between 6:00 A.M. – 9:00 A.M. **or**

All watering may only occur during these hours

No watering is allowed on Monday, Tuesday, and Friday

Water Restrictions will be closely Monitored and Enforced

Flowerbeds and vegetable gardens may be watered by hand, during prescribed times, using a watering can or a hose with a nozzle trigger shut off to restrict water flow.

Requests for water conservation exemption permit for newly seeded lawns or freshly planted sod may be applied for at the County Office.

The watering schedule changes will be made accordance with the Foothills County Bylaw No. 1/2021 with a provision of a change to the odd/even system to a color-coding system specific to Hawk's Landing. A copy of Bylaw No. 1/2021 can be found on the Foothills County website:

Please note this schedule is subject to change due to excessively dry conditions and reduced in stream objectives. Notice of any changes will be issued.

Thank You,
Foothills County
