

You can find lots of interesting things on gravestones. Have a look around. What can you find out about John Elliott?
Can you find the gravestone with the

foreign writing on? He was a ship's captain. His name was_____.

I also found out that.....

Well done.

St Peter's Outside Trail.

Start at the main gate.

When was the monastery founded?

On what day of the world did God make Bede rise?

From which direction did he rise?

What is the name of the family who are buried here?

What makes you think they were an important family?

Walk down towards the church and onto the grass on the right.
You are now looking at where the original monastery buildings were. Can you draw them?

Look at the tower. This is the oldest part of the church. Can you see where a statue used to be? Draw what you think it looked like.

Look inside the porch doorway. What do you think the 2 ropes are for?

What is

carved on the stone on the right hand side?

Now stand with your back to the tower. Imagine you are Bede. Draw what you think he would have seen.

Walk up the little steps and follow the path towards the gravestones.
