

REFLECT, ADJUST ... ACHIEVE!

Achieve your career aspirations with the help of a dedicated Executive Coach - your personal Career Sherpa! Through this transformative process, we'll help you receive - even cherish - direct feedback with grace, develop a clear view of your driving and restraining forces, then experiment with tools and techniques to adjust your approach and unleash your best self. And we'll do it with a mix of candor and care that encourages you ... every step of the way.

LEARNING OBJECTIVES

Coaching participants will ...

- Learn to **seek and receive feedback** with grace, viewing it as inspiration to improve
- Gain an unfiltered view of your current **leadership brand**
- Understand specific "**driving forces**" that have fueled your success thus far
- Explore specific "**restraining forces**" that can limit your success if left unaddressed
- Discover, practice and master techniques to understand behavioral triggers and **adjust your response**
- Learn to maximize driving forces and minimize restraining forces, while remaining true to your **authentic self**
- Receive candor, care, encouragement and **unwavering support** from your coach ... every step of the way
