

## EVERYONE CAN BE AN ALLY

30% of employees feel invisible in the workplace and 0% of good human beings believe that's OK. While most everyone is willing to recognize the benefits of an inclusive workplace, the path to creating one can be elusive. In this interactive **International Women's Day** discussion, we'll unveil a simple truth - that every individual has the power to become a brave ally - and offer participants practical tips to stand up, speak up and **inspire inclusion** in the moments that matter.
