CELEBRATE WITH US!

National Library Week (April 4 - 10, 2021) is a time to celebrate your local library, library workers' contributions and promote library use and support. The theme for National Library Week 2021 is "Welcome to Your Library."

During the pandemic, staff members continue to exceed the communities' demands and adapt resources and services to meet users' needs during these challenging times. Whether people visit in person or virtually, libraries offer endless opportunities to transform lives through education and lifelong learning. Check out our many events during the month of April on Page 2.

Among the many digital resources available on our website is Ancestry Library Edition. Create an account, verify with your email and get started searching your genealogy today!

If you are still hesitant to come inside the building, we offer Library-To-Go services. We encourage patrons to call ahead with their material requests or place "Holds" online. Call before you arrive and we will have your order ready. You can reach a staff member at 724-627-9776.

We hope to see you soon at the Bowlby Public Library!
