A Time to Grow

Summertime is a time of planting and growing. We would encourage you to enroll your child or children in the Tiny Tim Tomato Project coming up June 8 at 5:00 p.m. It's an annual program through Bowlby

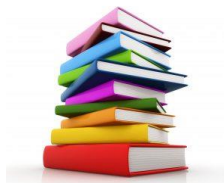

and teaches children how to care for their own tomato plant through the summer months. Master Gardeners assist in planting their own tomato seedling which they get take home. The program is no cost and lots of fun!

The summer months bring vacations and times of relaxation. Unwind with free eBooks and audiobooks through OverDrive or Libby. Read on smartphones, tablets, computers and eReaders.

Vaccinated guests are no longer required to wear a mask inside the library. If you're still hesitant to come inside the building, Library-To-Go services are still available. Patrons may call ahead with material requests or place "Holds" online. Call before you arrive & we'll have your order ready! You can reach a staff member at 724-627-9776.
