Marketing Strategy

Emaus will continue to market its products and services through direct contacts and media platforms in order to maximize its sales. With the continuous increase in economic activities in the country, we will continue to capitalize on the ever growing market demands in providing quality products and services for local companies, government institutions and individuals.

In addition, we are embarking and investing in an online stores through our website that will enable our clients to purchase our products and request for the services at their own comfort without even stepping into the store.

Why you should try us

Emaus Distributors is committed to delivering quality products and services to its clients through various online platforms and one of such platforms is the Emaus website which also doubles as the online store.

With this platform, we give our clients

1. Freedom: this means giving our clients the freedom to place an order or inquiry for our products and services at their own convenience without the need of them stepping into the store
2. Value for their money: this means, what you pay for is what you get. No compromising.
3. Timely Deliveries: this means, we deliver according to our clients timing
4. Competitive prices for all the products and services they buy from us
