

I love my bear, oh yes I do,  
I love my bear, he loves me too!  
I hug my bear, so soft and round,  
We cuddle, cuddle, safe and sound

I love my bear, my fluffy bear,  
I love my bear, he's always there!  
I love my bear, my fuzzy friend,  
I'll love my bear, until the end!

My bear can wiggle, jump, and spin,  
He makes me laugh with his big grin!  
We dance around from here to there,  
I love to play with my teddy bear!

I love my bear, my fluffy bear,  
I love my bear, he's always there!  
I love my bear, my fuzzy friend,  
I'll love my bear, until the end!

When I'm sad, he hugs me tight,  
When I'm tired, he says "goodnight!"  
I close my eyes, he's by my side,  
My teddy bear, he never hides!

I love my bear, my fluffy bear,  
I love my bear, he's always there!  
I love my bear, my fuzzy friend,  
I'll love my bear — until the end!
