We are very much looking forward to our presentation day on Saturday – The weather looks like it will be another warm one too!

The day starts from 10am, we have the adult football tournament plus football fun inflatables and other activities to keep everyone entertained. The BBQ will be on from 10am as well as a tuck shop, sweetie tombola, cake stall, coffee van and ice cream man. The bar will also be open all day.

Thank you to everyone that is helping in the run up to the day, it is very much appreciated and vitally important to the club.
