

Application for Respite Care

The Parkinson's Community Network and PEP Seniors Therapeutic Centre are providing an opportunity for caregivers to apply for financial support for those who live with Parkinson's disease in Lanark County and North Leeds. Caregivers may apply to access funding for day or overnight respite care services. There are various programs from which to choose and to qualify for the funding. Individuals will need to complete this application. Applicants may receive up to \$500 per client towards respite programs based on funding availability.
