Note from Jim:

On Tuesday, October 27th , the Stewart Community Home will hold our 50th Anniversary Celebration Luncheon. Please plan to join us at St. Luke Church in the Large Dining Room for this special Luncheon. We will be treated to a keynote address from Dr. Grant Scarborough, founder of MercyMed of Columbus. And, we have some fun surprises for all of the attendees!! It promises to be a big day for the Home and for all who attend!!!

On Saturday, September 19th, The Stewart Home hosted our Fall Yard Sale. We advertised that this would be the biggest & best yard sale ever. And we were right!!! We had a great turnout, and we were able to turn so many donated items into funds for our operation. It was truly a great day!!!

A special thanks to Columbus HarvestPointe Church of the Nazarene for once again letting us use the hall for our yard sale. Also, a tip of the cap to our Marketing wizard Jayce for creating all of the compelling ads for this year's yard sale!! And to our friends of the Home, thank you for all the wonderful donations!! Please keep those donations coming!!!

A number of residents and staff helped us with the setup, working on the actual yard sale and the breakdown. Thank you to all listed below:

On Monday, September 28 th , The Stewart Home received a visit from the residents of Legacy Reserve at Olde Town. These sweet ladies toured our facility, learned more about our mission

and took a genuine interest in who we serve and how we serve them. One of my great joys is to be able to talk about our mission to folks who genuinely care. They really enjoyed their tour of the Home.

Employee Spotlight:

It is our pleasure to say, "Welcome Back to the Med Room!!!" to Melissa Moore. Melissa, our new LPN has been an LPN for 13 years. She worked with the Stewart Home for seven years prior to her retirement in early 2024. After being retired for two years, Melissa realized that she was not quite through with us just yet!!! She returned to the Home in September of 2026.

Melissa is married to her husband of 20 years, Louis, who is in law enforcement. She is the proud mom of Chase who is currently a Junior at the University of North Georgia and is a Cadet with the Corps of Cadets and a Beret Member of the Aggressor Platoon.

Melissa and her family love spending time on their old family farm, complete with a home on the property that is approaching 100 years old and of course, some cows!!!!!! In her spare time, Melissa loves to ride her horse Appaloosa.

We are thrilled to have Melissa back in the family!!!
