Note from Jim:

Last month, we learned that Tiffany Patten from AFLAC has assumed the role of Chairperson of the Board of Directors the Stewart Home. We also said thank you to Terry Reis from Goodwill Industries as he stepped aside. Terry was recognized by the Board and the staff of the Stewart Home at the July Board Meeting for his tireless and energetic leadership for over eight years as our Chairman. Thank you, Terry!!

On Monday August 10th, our brother, Michael S., was called home to the Lord. We held a memorial service for Michael to say good-bye. But given that Michael served honorably in the US Army, he will be interred at Ft. Mitchell Cemetery in Phenix City, Alabama. We are working with Striffler-Hamby in Columbus to coordinate his interment. Rest in Peace, Michael. Your watch is over.

Note from Jim continued...

Note from Jim continued:

At the August Board Meeting, Susan Lombardo was voted in as Treasurer of the Stewart Community Home. Susan joined the Board in March of 2026. Susan has enjoyed a long and distinguished career in Financial Services, and we are lucky to have her on our Board and now serving as our Treasurer.

On August 15 th the Women of Canaan once again provided and served lunch for our residents. We are grateful and thankful for the outstanding services that are being rendered to our residents by our dear friends at the Canaan Baptist Church. As always, we are thankful for their donations.

—Jim
