## NOTE FROM JIM:

April is here and The Stewart Community Home is proud to celebrate its 50 year Anniversary. 50 years of doing for others who cannot do for themselves. What a lasting legacy! Mrs. Stewart would be so proud of what she started, and what the Home is today!!

**IN HONOR OF 50 YEARS OF CARING AND COMMITMENT TO THE COLUMBUS COMMUNITY, WE HAVE CREATED A 50 YEAR ANNIVERSARY CELEBRATION VIDEO. PLEASE LOOK FOR A SEPARATE EMAIL NEXT WEEK. WE WILL BE SENDING OUT A SPECIAL EDITION OF HOME HAP'NINS THAT WILL CONTAIN A LINK TO THIS VERY SPECIAL VIDEO!! I HOPE YOU WILL ENJOY IT.**

Looking back in the rearview mirror for just a moment, The Stewart Home had a wonderful March! We continue to be blessed by the kindness of others. In so many ways!! Folks continue to drop by with snacks, food, hygiene supplies, bedding and so much more!!!

On Saturday, February 28th (not quite March!!) The Church of Jesus Christ of Latter-Day Saints held a Women's Conference. The Home benefitted in so many ways from the good work of this Women's Conference!!! They collected hygiene supplies, bedding, towels and so much more and donated EVERYTHING to the Home. Enough to fill TWO (2) vans from top to bottom, end to end!!! WOW!!! That was an awesome event!!!! They truly have a heart for Mrs. Stewart and for our mission.

## Note From Jim Continued...

On Thursday, March 12th, I was lucky enough to travel to Reynolds, GA where the Home received a grant from the Flint Energies Foundation. The Flint Energies Foundation awarded so many grants to local and community organizations in their area. The Home is not exactly in their backyard. But they were so touched by our mission, they felt compelled to reward us with a grant!! And we are so grateful!!!

There were a few other events to round out the month. A handful of employees once again allowed their stars to shine brightly. Austin, Rebecca, Coraleigh, Donnie, Nick and Pam painted the Dining Room on their own. The floor staff, led by Rebecca, painted every room, the hallways and the dining room on their own. What a great job!!! We rewarded them with a nice lunch!!! Thank you to every SCH employee who had a hand in this large project!!

Lastly, On Thursday, March 26th, I was fortunate enough to attend the Clarvida "Supported Employment Awards Ceremony" where one of our residents, Justin P. was recognized by Clarvida for his work with Bunn Vending. I know Justin was so proud. And I was so proud of him!!! AND: I am happy to report that we were successful in replacing 100% of our old pillows WITH ALL NEW PILLOWS!!!! Thank you to all who contributed!!!!

## STAFF HIGHLIGHT: MEET JUSTIN STEWART

I would like to introduce you to Justin Stewart. He works the very tough 3rd shift. Justin is a sweet, hardworking individual that will do anything you ask of him. Justin originally came to us through our Temp agency, Surge. He is now a full-time Stewart Home employee, and we could not be happier. Justin is a native of Columbus. With his beautiful partner, they have 4 wonderful boys. In Justin's spare time he loves to read, trail ride, and play basketball. He loves what the Home is all about. And he loves his day-to-day dealings with the residents.

## STAFF HIGHLIGHT: MEET JENNIFER SOWELL

Jennifer has been at the Home for eight 8 years now. She was originally hired as our receptionist. She has worked a number of jobs in those eight years, bringing her to where she is today, our Senior Director of Operations. If I had a nickel for every time I said, "I don't know. Go ask Jennifer," we would all be rich. Jennifer is intimately familiar with every facet of the Home and truly does run the operation on a day-to-day basis. While I personally lean on the expertise of so many here for help, no one is more valuable to this operation than Jennifer!!!

Jennifer has been married to Steven for 30 years. She has 3 children and 4 grandchildren. And don't forget "Bones".
