SCH NEWSLETTER

Note from Jim

April was a busy, busy month!!! We hosted our yard sale on the 5th . Rebecca and the team did an amazing job!!! We held our first ever SCH Golf Outing at Green Island on the 14th . And we even found time to visit the National Infantry Museum in the afternoon of the 23rd !! WHEW!! Oh, did I mention we also finished the "Bird House Project" as well?? Thanks to Dr. Fortson and his wife Denise, the bird houses are now hanging in the courtyard.

Lots of fun stuff! Hopefully we made a little bit of money for the Home. All while giving the residents a little bit of fun.

Because the weather continues to change and is becoming more agreeable to be outside, it is my hope that we can do even more fun stuff outdoors. I am looking forward to having cookouts, adding a Beach Day to our calendar in the summer, maybe even take our residents on a trip to the Aquarium in Atlanta. All cool, fun stuff for us to do for and with our residents.

Thank you all for working with the staff, and for helping us to help you!!!

Let's have an awesome month of May!!!

Thanks, and God bless all of us!!
