- 3rd - Resident Council
- 11th - Haircuts on Friday
- 18th - 15 th Street Boutique

NOTE FROM JIM:

So many Hap'nins in the month of May.

We started out the month with Ms. Susan's SCH Bible Study Outing to Lake Grace on Monday, May 4th. That was so much fun. The residents fished, rode paddle boats, rode the Gator and were treated to a feast by Ms. Susan and her husband Tom!!

Thursday, May 7th, the Stewart Community Home held our second annual SCH Golf Tournament. While we still have not built up the participation we are hoping for, we were blessed again with great sponsor support, giving us the ability to put on a fun tournament and still make a little money for the Home. Special thanks to all of our sponsors and "Friends of the Home".

Congratulations to the foursome representing Synovus who came in first place. They won the first ever Bill Ploeger "Chief" Award along with a few gift cards. Bill Ploeger, who passed last Summer, was one of the most talented and winning amateur golfers in Georgia history!!! And as great a golfer as he was, he was a humble, loving family man, beloved by all!!

Note From Jim Continued...

Thanks to all of the players, volunteers and sponsors who made this tournament possible. Special thanks go out the staff at Bull Creek Golf Course who did an amazing job under less- than-ideal weather conditions!!!

We will see you next year, right back at Bull Creek on Thursday, May 13th, 2027.

The Beach Trip this year was on Thursday May 14th. Once again, caravan of residents and staff made our way to St. Andrews State Park in Panama City Beach, Fla. The residents were treated to a picnic lunch, followed by a day of splashing around, horsing around and trying to dunk the staff!!! (EDITOR'S NOTE: The staff loves this trip every bit as much as the residents do!!!!). On the way home, we stopped at McDonald's in Dothan for dinner. That is really when our staff shines. Getting McDonald's to cook and serve 20+ individually ordered meals to be delivered all at once is quite a trick. This year, with just one or two hiccups, everyone ate at the same time. It is quite impressive!!

On Tuesday, May 19th, the residents were once again treated to another special event. Our friends from the Compliance Department at AFLAC held an Ice Cream Social for all of our residents and staff. Our incoming Chairman, Tiffany Patten continues to "bring the goods!!" as she and her team delivered 10 gallons of ice cream, all the fixin's and served them up themselves. Of course, as is their tradition, they stayed to clean up and then disappeared like they were never there. The Home really owes a debt of gratitude to this incredibly kind, thoughtful and giving group who do so much for the Home!!

We celebrated Memorial Day a little early this year. On Thursday, May 21 st , we held a cookout in our back yard. We had music, dancing, and dined on hamburgers, hot dogs, baked beans, potato salad and for dessert, Ms. Faye's "World Famous Banana Pudding!!!" Everyone ate well and seemed to really enjoy it.

For those of you who like to spend time in our courtyard, we are excited to announce that the fountain is now back up and running. For some time, our fountain had been disassembled and sat sadly under a tree. But it's back!! When you have a free minute, visit the courtyard and check out our fountain!!

Jim

STAFF SPOTLIGHT: FAYE MOORE

Faye is our kitchen supervisor. She is one of our most dedicated employees. Faye makes sure the kitchen is covered to ensure our residents get fed even if it means coming in on her day off; which she has done many times!!! She will even come in on her day off just to make sure the delivery orders are received and put away properly. She truly is one of our most faithful and hard-working employees at The Stewart Home. We appreciate her and the love and dedication she gives to our home. And that Banana Pudding!!!!!! WOW!!!!
