NOTE FROM JIM:

On Tuesday, October 14 th, The Stewart Community Home held our 2025 Annual Luncheon at Green Island Country Club. Over 225 friends of the Home were treated to a great keynote address from Gilbert Miller who spoke to us on, "The Art of Giving". Lunch was wonderful and the Home received so much love and support from our Stewart Home faithful. Seeing so many familiar faces, all looking to help the Home really proved to me that Mrs. Stewart's dream of taking care of those less fortunate has remained alive and well for the past 49 years.

On Wednesday, October 8th, I had the opportunity to speak to the Exchange Club of Columbus. The Exchange Club had selected The Stewart Home as their organization of choice to work on for their National Service Project so they asked me to come in and say a few words about our mission. (No hot dogs that day!! BOOO!) On Wednesday, October 22nd, as a follow up to my talk, a number of Exchange Club members came to visit the Home and they delivered bags of items for our residents to use. Their National Day of Service, a community service project, is observed on the fourth Saturday in October (they were a little early!!). It is an opportunity for all Exchange Clubs across the nation to participate in a unified service effort by completing a service project of their choice on that day. We were thrilled to have them come visit and bring so many wonderful items for use by our residents.

As October comes to an end, we held our Halloween Party with our residents. They enjoyed food and decorations while some of them dressed up for the Holiday. In November, we will have Thanksgiving meals and activities for our residents and staff. AFLAC and Greater Mt. Zion will be serving Thanksgiving Dinner for our residents and staff. Mercy Med will host a Cooking Class and Columbus Parks and Recreation will hold Mo Town Bingo for our residents.

FROM THE KITCHEN

The Stewart Home continues to be blessed in so many ways. Earlier this summer, The McClure Family Foundation was kind enough to donate a new dishwasher to our Home. It was just recently installed. Miss Faye and the kitchen staff LOVE our new dishwasher!!!!! Thank you so much, Chuck & Carol McClure!!!

THANK YOU TO EVERYONE WHO MADE OUR LUNCHEON A SUCCESS THIS YEAR! WE APPRECIATE YOUR SUPPORT AND PARTICIPATION.
