NOTE FROM JIM:

The Home made some new friends this past month. At our September 24th Rotary International meeting, Rotary selected the Stewart Home as one of the recipients of their "Rotary Feed The Hungry" grant. The Stewart Home was given a grant exceeding \$1,000, funded by the individual members of Rotary who donate money every week to support causes just like ours!! Thank you, Rotary!! Those funds will go a long way to feed our residents!!

Also, a Columbus area employee at payments giant Visa, Inc. nominated the Stewart Home to participate in a program called Benevity. It allows employees to make donations that are matched by Visa. We have since gone through the vetting process and have been approved by Benevity.

Another organization that has decided that they too would like to honor the Stewart Home is the National Association of Tax Professionals (NATP), Georgia Chapter. They have selected the Stewart Home for their charity this year. I was given the opportunity to present to a group of over 60 tax professionals at their annual conference earlier in the month. To date, donations from the NATP have reached over \$2,000. THANK YOU NATP!!

Lastly, we are scrambling to put the finishing touches on our Annual Luncheon at Green Island on Tuesday, October 14th . We are all looking forward to hearing from Gilbert Miller, who has done so much to further the cause of the Stewart Home and others just like us. If you haven't signed up yet, it's not too late!!

FROM THE MED ROOM

A big Stewart Home welcome to Kellanne Harraden who has joined the Stewart Home family in the Med Room. Kellanne will primarily work weekends. We are thrilled to have her on our team.

NICK

This month, our staff profile is on Nick who has worked at the Home for almost a year. Ever dedicated, Nick is one of the staff members who takes a taxi to and from work. Nick does a great job, and he truly loves working at the Home. Nick really loves the residents and loves trying to help them with their needs. He knows he is making a difference. Nick also compares working with his co-workers to being with family. What a compliment! Thanks, Nick!!!!

FROM REBECCA'S BAKER'S DOZEN

On Saturday, September 27 th , the Stewart Home held another yard sale at the HarvestPointe Church of the Nazarene. Residents Justin P., Johnny F., Elvis S., and Robert W. helped Rebecca to set up for the yard sale the night before. On the actual day of the yard sale, residents Elvis S. & Robert W. helped Rebecca and Austin work, sell, collect and clean up. The yard sale was a whopping success, making over \$400 for the Home.

Ever ambitious, Rebecca's next big project will be to paint the dining room. She sets her sights awfully high!!! Thank you, Rebecca!!

FROM THE KITCHEN

Thanks to "The Women of Caanan" from the Caanan Baptist Church for their continued support of the residents of the Stewart Home. On September 13 th , they delivered lunch to our residents. They are so very good to our residents, and we appreciate them!!

And as always, Mr. Harold Stewart appears on our doorstep regularly making sure the residents always have plenty of yummy snacks!!
