

General Program Information

- Internships are available for students ages 13 and older. Interns will work directly with the teaching staff and will be assigned various tasks to assist the directors and the students, which may include (but is not limited to) stage managing, running lights and/or sound, taking attendance, calling missing students, assisting with breaks, etc.

This is a non-paid position. Interns will be employed to work one camp session and offered \$100.00 off the camp tuition for their age group. Applications must be accompanied by resume and parent permission.

- Scholarships will be offered on an individual basis. Information on scholarships can be obtained via e-mail at judithernst@sprintmail.com.
