Growth Mindset!

BENEFITS OF A GROWTH MINDSET IN BUSINESS AND EDUCATION

Please join us to explore Fixed vs. Growth Mindsets and how to encourage a growth mindset in employees and students so they can become successful, productive leaders.

During this informative and interactive webinar our featured speaker and panel members will help you discover:

- ➔ The importance and value of mindsets
- ➔ How mindsets can affect your employees/students productivity and accomplishments
- ➔ Understand what mindset changes should be made to drive success

Featured Speaker:

Ryan Gottfredson, Ph.D. is a mental success coach and cutting-edge leadership consultant, author, trainer, and researcher. He helps improve organizations, leaders, teams, and employees by improving their mindsets. Ryan is currently a leadership and management professor at the Mihaylo College of Business and Economics at California State University-Fullerton (CSUF). He holds a Ph.D. in Organizational Behavior and Human Resources from Indiana University, and a B.A. from Brigham Young University.

Ryan is the author of "Success Mindsets: The Key to Unlocking Greater Success in Your Life, Work, & Leadership." (Morgan James Publishing)

He also works with organizations to develop their leaders and improve their culture (collective mindsets). He has worked with top leadership teams at CVS Health (top 130 leaders), Deutsche Telekom (500+ of their top 2,000 leaders), and dozens of other organizations.
