FOUNDER & CEO
CAROLYN WHITNEY

I am thrilled to welcome you to the Sisters in Christ - Kansas City family and express our gratitude for considering a partnership. Please join Sisters In Christ on October 18, 2024, for our 10th Annual Gala, "Transforming Our Community Through Strong Mental Health". This event is not just a celebration but a significant step towards transforming the lives of women and youth in our community. Our mission is to provide support, education, and empowerment, helping women rebuild their lives and promoting physical, emotional, and spiritual wholeness. Funds raised will support the prevention of substance abuse and the promotion of mental health among women and their families in our communities.

I am writing to invite you to be a (co-sponsor/sponsor/supporter) of this event. As a leader in the community, your involvement with us is an opportunity for you to receive exposure and to join other individuals, organizations, and coalitions in our community to educate others about the underserved population of women and children among us dealing with homelessness, addiction, and mental illness.

Our theme this year is "Transforming Our Community Through Mental Health". This theme reminds us that mental health awareness will lead to a transformed, healthy, and stronger community. The Transforming Our Community Through Mental Health aims to raise funds to support Sisters In Christ's mission. Community sponsors are the primary funding source for this event and will ensure its success. There are several ways to get involved:

Be a Co-Sponsor or Event Supporter. Your company logo will be placed on materials to promote the event; Make an in-kind donation; Serve on our planning committee; Volunteer at the event; Sponsor or host an event at your facility; and Provide information to clients and patrons about our cause.

Enclosed is a form that provides information on sponsorship levels. We look forward to hearing from you. For more information about this event, please contact us at sisters@sistersinchristkc.org or (816) 772-3398.

Warm Regards,

Carolyn Whitney
Founder, CEO and Executive Director of Sisters In Christ - Kansas City

SPONSORSHIP DETAILS

On behalf of Sisters In Christ - Kansas City, we are delighted to invite you to our annual fundraising event! Our programs are designed to help women and children have a safe, welcoming, and warm environment to get back on their feet. With your support, we will be able to offset some of the costs of this process.

Here are some key ways sponsorships will benefit Sisters In Christ:

- **Transitional Housing Support:** With sponsorships, we can offer 12 to 18 months of transitional housing support, helping women make a successful transition from challenging circumstances to self-sufficiency.
- **Access to Medical and Mental Health Services:** Sponsors will contribute to our efforts to provide access to vital medical and mental health services, ensuring that women receive the care they need for their physical and mental well-being.
- **Substance Abuse Prevention:** Sponsorships will help sustain and expand the Dahomey Training Center, a substance abuse prevention and anti-violence program that aims to break the cycle of addiction and criminal activity among at-risk women and girls.

As our guests during the Gala & Fundraiser, we will provide everyone with a distinguished level of hospitality to make the event an unforgettable experience for all. Join us to financially support our continued commitment to directly contribute to the well-being and empowerment of women and families in our community, helping them overcome challenges, rebuild their lives, and create a brighter future.
