From the Pastor's Pen

Greetings, Mt. Zion Church Family!

June has been a month of landmark learning and significant celebrations at Mt. Zion. The sermon focus was "blueprints." During each sermon, instructions were given on how to use the Holy Bible as the blueprint for building a righteous Christian life. Hopefully, the sermons imparted knowledge to all who listened and internalized each message. In VBS, my students learned the meanings of various names of God. Often, we hear other names of God in song lyrics and religious conversation, so we studied those names and how they apply to our lives. On Father's Day, June 15th, we celebrated the love and dedication of fathers; thanks to the deaconess ministry for the gifts. Finally, on June 22nd, we celebrated the academic and leadership achievements of our youth and graduates. Thanks to the youth ministry for planning and executing the youth achievement program. I thank God for what He is doing at Mt. Zion!

Mission Statement

Our mission is to lead others to Christ, teach them about His salvation, and bring them into our bible-based, spirit-led church family where they will find love, hope, guidance, and encouragement.

VBS: More Than a Field Trip

From Monday, June 9th - Friday, June 13th, Mt. Zion's bible students took a journey that was more than just a field trip. We are thrilled to share that this year's Vacation Bible School was a joyful, spirit-filled experience for all involved! Our theme was **Road Trip, On the Go with God**. With enthusiastic volunteers, engaging lessons, energetic music, meaningful arts and crafts, exciting recreation activities, and delicious meals, our children and adults grew in their faith and built lasting memories. We are anxious to see where next year's travels will take us!

Fish and More...

Saturday, June 21st was a perfect day for fishing, at least that's what the Mt. Zion fishermen felt as they gathered at Point West in Clarks Hill (Appling, GA). From 8:00 a.m. until dusk, the excited fishermen cast their rods to reel in some delectable fish to fry. Everyone in attendance caught at least one fish. What was even more awesome about the event was the crew surprised Brother Gilchrist for his birthday! There was lots of food, fun, and fellowship for all. If you were unable to fish with us on this excursion, we will see you on the next trip!

Words From the Youth Ministry

On Sunday, June 22nd, we honored our young people during the Youth Achievement Celebration. From academic milestones to spiritual growth and community involvement activities, our youth were recognized for their hard work and dedication. We want to offer a special thank you to our newest college graduate, Nyah Boyd, who delivered a powerful and inspirational speech to our high school graduates, encouraging them to walk boldly into their next chapter with faith and purpose.
