PLAYING TIME

BOSS VBC Playing Time Policy (effective 2.9.26)

Unfortunately, tournament playing time and team position remain the greatest sources of parent-coach conflict in club volleyball.

Playing Time During Pool Play of a Tournament

- **Regional Teams (White):** Playing time will not be evenly distributed across all players.
 - Playing time is earned.
 - GOAL: Try whenever possible to get all players involved in at least a portion of a set if they have not played in the previous 1-2 sets.
- **14+ Regional-Select teams (Pink/Purple):** Playing time will not be evenly distributed across players.
 - Playing time is earned
 - GOAL: Try whenever possible to have all players involved in at least a portion of every tournament (pool play).
- No Player is guaranteed a certain amount of playing time.

Players on the Bench

- When a player is on the bench, he or she is still participating in the match. Time on the bench is essential for both physical rest and to help a player recharge her emotional batteries to stay engaged in competition.

- Downtime during a match is an opportunity for players to study their opponent and practice ball-reading skills.
- A player on the bench should show sportsmanship, team spirit and court awareness at all times.

Player Substitution - otherwise referred to as "Getting Pulled"

- NORMALIZE the concept of substitutions on a competitive team.
 - Sometimes substitutions are planned.
 - Sometimes a player is subbed out of a game due to skill performance in that match.
 - Sometimes the player is subbed out of a game or a starting lineup due to poor attitude or behavior on the court..
 - Sometimes a player is replaced in a starting line up for a "rest game".
 - Sometimes a player is replaced in a starting line up for an opportunity for someone else to play.
- In all of these cases, we expect the PARENTS and the player who has moved to the bench to maintain a winning attitude.
- Parents please encourage, support, and reassure players that this is just part of the game and being on a competitive team surrounded by other great players. NORMALIZE substitutions.
- BOSS VBC coaches may penalize players who demonstrate a negative attitude or poor sportsmanship when substituted.

Parents and Playing Time

- Under NO circumstances is a parent to discuss lineups or playing time with coaches whether at a tournament, at practice or by email or text. A parent who wants to discuss decisions should follow the steps outlined in the conflict resolution policy.

Violations of the Conflict Resolution Policy

- A parent who tries to talk to a coach or club official about an issue of playing time or position will be reminded to follow the conflict resolution policy. Please review the handbook.

Q&A

THANK YOU FOR SHARING YOUR KIDS AND YOUR TIME WITH BOSS

Parents are excused but welcome to stay and spectate or have fellowship. You are welcome to stay.

- If you would like to spectate the night's event, feel free - in the bleachers.
- If you plan to stay to have fellowship (chat etc) - please do so in the community center - tables outside of the gym otherwise it gets too noisy in the gym.
