

NEWSLETTER RAMBLINGS

Howdy All,

First, let us all say a big thank you to Dave Nicholson and Chris Walker for serving on the Board of the Directors last year. Welcome and congratulations to incoming Trustee Rebecca Farris and Range Officer Cal Laughlin.

We would like to thank everyone who made it for the cookout, and especially the 39 people who stuck around to vote. For a day that was supposed to be raining, it turned out to be good weather.

We would also like to thank everyone involved that helped make it all work. Without those volunteers, nothing would ever happen. Thank you to those who ordered the food, helped set up, helped serve, ran the election, and counted the ballots. Working the membership renewals and helping clean up are always assumed, but always grateful.

Second, a couple of things that reflect upon the membership...

We had a member at the Election Meeting ask for a re-orientation. Seems that he hasn't been to the range since The Great Covid Outbreak. He didn't feel comfortable coming out and doing something wrong. Not a problem! We're here to help. Members are welcome to come to the scheduled Orientations or ask for a one-on-one meeting.

Next, recently a member was out with a guest. The member was carrying a handgun. When it came time to pack up to leave, his guest was a little too helpful; and a handgun was left at the range. Another member found it and turned it in. A board member retrieved the firearm and the gentleman's ID. The ID made it easy to track the owner. The owner picked up his belongings at a board member's residence. While the member is remorseful and embarrassed, we are quite pleased that this incident reflects upon our membership's honesty and integrity.

As always, please maintain a safe environment, so we can come back to have more fun.

Thanks, Dave and Pat

WHAT IS HAPPENING AT THE CLUB

MEMBERSHIP ANNUAL RENEWAL DUE OCTOBER 1, 2025

A copy of the renewal form is available at the club and on the website. This form can be returned to the club via snail mail, dropped in the lock box by the sign-in station, or emailed directly to Debra. If you have any questions, please contact us.

You will continue using the same badge and keycard that you were assigned. If you are not renewing, please let us know. You can return your keycard and badge to the club.

Payment was due on October 1, 2025. You will have a 30-grace period. If payment is not made by November 1, your keycard will be deactivated; and you will not have access to the club until you have paid the annual membership and late fees.

If you have pre-paid your renewal, we have mailed out stickers.

Damage to the Steel Targets

For those who are shooting armor piercing rounds and causing massive damage to our steel targets, when you are caught, you will be swiftly thrown out of the club and possibly charged with Malicious Mischief 3rd Degree. All calibers of armor piercing rounds are prohibited, which includes green tip 5.56.

Wildlife on the Range

Before shooting, check to see that the range is clear. Wildlife can enter the range at any moment. A cease fire will be in effect whenever wildlife is on the range.

Other Reminders

If it is dry, take a few minutes to verify that there is no smoke downrange.

Check that you have all you belongings before leaving a range after shooting.

Remember to always sign in before shooting on any range and log out before departing the property.

YELLOW SAFETY LINE ON THE RANGES

We will be implementing a yellow safety line on the 50-, 100-, 185-, 550- and 600-yard ranges. When members are down range and the sign is out, all other members will remain behind the line until the down range members return and remove the sign.

HELP KEEP THE RANGES READY FOR THE NEXT MEMBER

Please remove your targets when you are done. This has become a problem on the 185-yard range.

Check the current calendar on the website for full details on current opportunities to join in UNSC Events or contact the discipline
