## Alleluia, He Is Risen!!!

I have always enjoyed movies where there is a rescue mission involved - a damsel in distress, a captured POW, hostages taken by bank robbers or terrorists – and the hero or heroes come in to save the day! There is something about the virtue of recognizing another person who is in need and doing whatever it takes to get them to safety. Well today we celebrate the culmination of the greatest rescue mission of all time. How the God of way up there sent his Son, Jesus into the midst of this broken and fallen world to save us from something that we cannot save ourselves from - sin and death. A sickness and disease that in our humanity we brought on ourselves in the garden of Eden. It was through human selfishness and a desire to grasp at the things of this world which banished us from paradise and ultimately disconnected us from God. But the Lord never gave up on us.

Once again, we arrive here at Church – we have celebrated with our Easter baskets, Easter bonnets and Easter bowties. I think of “Easters” in the past – we arrive with our new outfits, dresses and bonnets, Vineyard Vines salmon-colored pants and anticipation of egg hunts back home. But the real celebration of Easter, is the celebration of an event, this preposterous story that a man was crucified and suffered, and how he died on the cross... and then we are told that he rose from the dead. This is almost too unbelievable. And perhaps that’s why so many leave the practice of the faith.

We can all struggle at times with our relationship with God and our faith; a war in Ukraine, COVID, inflation and gas prices, confusion in the family, the economy, and politics. God, where are you? We only need to remember the first witnesses of our faith. Jesus did not appear to all, but a select few. What was so amazing about their encounter with him are the details - we hear about the burial cloth, what the tomb looked like, and the intricacies of how things were placed - too detailed for some cute story or a myth. And yet there was turmoil and confusion, the back-and-forth to the tomb, miscommunication among family and friends, followers, and leaders - to be honest – it is not much different than our modern times. God is inviting us back into a connection and relationship with him. That is the mission of Jesus – He has come to reconnect, restore, renew, and revive the world, our families, and our hearts as he did those first disciples. And then they told others.

This becomes our role and Mission in 2022, to tell others about how Jesus has changed our lives. Not about chocolate bunnies, jellybeans, and plastic eggs - but how a loving God came down and took flesh and suffered and died for us. How the Lord walked with us and our family through the Pandemic, the loss of a parent, the sickness and dementia, but also the joyful times of celebration and fun. God sees us, knows us, and loves us. The scriptures tell us that disciples went to the tomb and that they saw and believed. Can we look at how God has acted in our lives in the past few weeks? How doors opened, harden hearts were softened, and wounds healed? There are others in our families, our parish, and our world who need to be rescued by Jesus. In the early Church, the Lord motivated people to respond with names like Mary, Peter, Thomas, Martha, and Joseph of Arimathea. Today, he needs you and me!

On behalf of Father James, our Deacons, and dedicated staff, I'd like to thank you for your calls, letters of prayer and support, emails of recommendations and suggestions, and well wishes throughout the past year. I think back to the first Easter 2000 years ago, and my first Easter 2 years and can see the parallels – we are finally coming forth from the upper rooms of isolation, fear, social distancing, mask wearing, and quarantine to tell the Rescue Story of faith, hope, and love. The story of how God showed His Power and Might – and that Jesus won! May God Bless you and your families, Happy Easter, Alleluia - He is Risen! He is Truly Risen!

# Grade 6

To prepare for Easter, Mrs. Frank's class created Holy Week and Triduum booklets. The students illustrated and wrote about the events that Jesus experienced leading up to Easter Sunday. They did a beautiful job explaining ways we celebrate Holy Week.

# Art Class

At St. William the Abbot School, lots of learning and a whole bunch of fun are taking place in the art room. Art teacher, Mrs. Patricia Calcano integrates art into many subjects. Sixth graders created Egyptian Portraits after completing a unit on Ancient Egypt in Social Studies. They enjoyed learning a new process called Batik. After learning about the life cycle of a frog and pond life, Kindergartners looked at pond paintings by Claude Monet. Then the students created their own watercolor ponds. Fifth graders worked on collaborative Lenten murals in class. Each student took part in the process of planning out the design, sketching, and mixing paint to create new colors. Our school has been praying for the people in Ukraine so the artists decided to add the sunflower as it is Ukraine's National flower.

We have access to relevant state, local and charity-based programs that may help, and we offer other services such as client advocacy and regular use of our food pantry. Partnering with our St. Vincent de Paul conference, we help with budgeting, expense management and building financial independence.

## Thank You Seaford Chamber of Commerce!

Earlier this month, the Seaford Chamber of Commerce held its Annual Easter Egg Hunt at Washington Avenue Park. They were kind enough to make our food pantry

the donation beneficiary of their event! They collected donations of personal hygiene items for our clients such as shampoo, soap, deodorant and razors. These items are very valuable to the families we help because they are not covered by SNAP (food stamps). Thank you to the Seaford Chamber of Commerce for bringing focus to our efforts to help the needy, and thank you to all the donors that attended the Easter Egg Hunt! We are so grateful for your generosity!

## Extraordinary Ministers Providing Extraordinary Kindness

Thank you to the St. William the Abbot Extraordinary Ministers that serve our homebound parishioners! This Easter the Extraordinary Ministers brought Easter gift bags containing cards, prayer books and chocolate treats to the parishioners they serve at home. These ministers provide a beautiful conduit for the Parish to stay close to those at home, and vice versa. Thank you Extraordinary Ministers - your service to the Parish and community is very much appreciated!

## Donation Spotlight - Our Easter Donors!

We continue to be humbled by the generosity of the Parish. Over the past month we have taken in so many donations of Easter baskets and food store gift cards for our families in need. Thanks to your generosity, we were able to distribute hundreds of gift cards, over 50 family baskets of food, and 40 children's baskets of toys and candy. In addition, many donors brought us Easter cards containing well wishes for our homebound parishioners. We received and mailed over 75 cards to the homebound thanks to your efforts!

DIOCESE OF ROCKVILLE CENTRE  
OFFICE OF THE BISHOP

Easter 2022

Dear Brothers and Sisters in Christ:

*Christ is Risen, Alleluia!*

Every Easter, as we celebrate our Lord's victory over death, we delight in the consolation that all is restored through the Resurrection, and we ponder God's relentless invitation to live the divine life given at baptism.

This is the good news of our faith: Christ has conquered death and we are invited to life. This good news needs to be heard time and again. Even when things are bleak, we remember Christ is victorious and that we have been invited to witness to his victory. As Pope Francis says:

"Where all seems to be dead, signs of the resurrection suddenly spring up. It is an irresistible force. Often it seems that God does not exist: all around us we see persistent injustice, evil, indifference and cruelty. But it is also true that in the midst of darkness something new always springs to life and sooner or later produces fruit. On razed land life breaks through, stubbornly yet invincibly. However dark things are, goodness always re-emerges and spreads. Each day in our world beauty is born anew, it rises transformed through the storms of history. Values always tend to reappear under new guises, and human beings have arisen time after time from situations that seemed doomed. Such is the power of the resurrection, and all who evangelize are instruments of that power."<sup>1</sup>

We know well the bleakness that can overwhelm us. How good it is to recall God's goodness! The Risen Lord moves through the locked doors of fear to lead us, to lead our families and to lead the world to peace. May we never forget God's triumph over death and our baptismal call to be an instrument of that power. May we show the Risen Lord to all we meet.

This Easter, as we rejoice in Christ's Resurrection, let us remember especially those who suffer in Ukraine and the millions who have been displaced by that tragic war. Together, we pray that the Risen Christ bring light to their darkness and give them peace.

Be assured of my prayers for you in these holy and joyful weeks.

Happy Easter!

Sincerely in Christ,

Most Reverend John O. Barres  
Bishop of Rockville Centre
