## Lent 2021 - Week 1 - WOW Wednesday

Thank you. I begin with simple gratitude for your witness of faith this past week. Ash Wednesday was a time for all of us to reset our spiritual compass and return to the Lord with humility, prayer, and penance. The overwhelming flow of the faithful into St. William the Abbot church for not only ashes but personal prayer, quiet, confession, and family time, was so powerful. In a year that has caused a strain upon our hearts, and if we were, to be honest, a strain on our relationship with God - Lent 2021 begins with an expression of hope and a reminder that not only do we need God but that God is here for us.

We begin with a recognition that the Lord is still reaching out to us, calling us to 'come back to Him'. This Lenten season is a time to listen, and the scriptures this weekend encourage that: "Now is the time of fulfillment. The kingdom of God is at hand. Repent, and believe in the gospel." We are being called into action, similar to Jesus being driven into the desert; we will experience temptation and then go on a mission to preach the Good News. But even before that, the first action is simply to be aware of God. God is pursuing us; he is present to us, and being in the presence of holiness, allows us to rejoice in awe and wonder of His mercy and love. Regardless of where we are at in the spiritual journey – or even the recognition of our own sinfulness. The Lord not only looks upon us with love, but he's moving toward us and walks with us. So often, we feel this need to completely "clean the house" of our soul as if we are supposed to be perfect before we begin to walk with God. We attempt to tidy up every aspect of our lives up. But life is messy, and life keeps moving, and God moves with us too.

I think of friends of mine who have tried (and continue to try) to play out the scenarios of life; they say to me, "I'll be able to do that when I... Pay off my college loans, or pay the mortgage, or get that car payment under control"; or "Sure we want to children, but we have to build and paint the nursery before we have kids, we just want to make everything 'perfect and beautiful and ordered'. Well, then reality hits, or a Global Pandemic, and we realize that the Scriptures this weekend are a subtle reminder - the Lord is calling us to respond now, now is the time, not when we get our life perfectly in order.

As Catholics, the Church has always provided ways for us to meet Jesus - especially to allow for an encounter of mercy - me that happens through the sacraments. Those of us who are wounded - we, of course, go to the sacraments of healing. Confession is one of them; there is great humility in coming to the Lord, to the mercy seat in this beautiful moment of grace. The gospel communicates to us the power of God's goodness and love, but in order for us to fully experience that, we must open our hearts to the fountain of grace. We must listen to the promptings of our hearts that bring us back to the Loving Father. We're also familiar with the story of the prodigal son when the young man realized he was starving for more than just food, shelter, or something to drink; he was starving for the affection and love of his father. What is interesting is that he had forgotten who he was and was prompted to go back home. We are told in the Scriptures that each day the father went to the end of the property and looked with eyes of hope for the return of his son. He does the same for us.

The Evil One usually interjects his thoughts to distract us or dissuade us from going to God the Merciful Father. We hear things like: "It's been so long, or what happens if you forget something or even how to go to confession, or God won't forgive that." Those are lies that come from the 'father of lies'. Rebuke them and grow courage in the Lord. God is calling you to encounter His tender heart, for us to come in this season of Lent, and this time of renewal and transformation, we have to ask the questions: Lord, where are you working on me? Where are the parts of my heart or my life that need your healing? Calm your heart, and know that God will guide and direct you to those wounded places that He desires to heal. Then, my sisters and brothers, we should run to that place of mercy; that's not "just a confessional box," but it's the seat of mercy where we meet and encounter the love of God.

Ash Wednesday was a springboard and start of motivation; now that we have officially begun the journey of Lent into the desert, there are fewer distractions, less noises that can prevent us from hearing God speak. Stay focused and be patient with yourselves - you may have one or many stumbles these 40 days, but the Lord is not looking for perfection. He is just looking for you! So now we must do our part, and that is simply to listen, to sit with a posture of receptivity, and to receive the grace that the Lord desires to offer.

Thank you for your presence and generosity.

Peace,

# Stump the Priest

## STUMP THE PRIEST !

### Why do priests wear purple vestments during advent and lent?

Advent and lent are seasons of penance. The color purple (or violet as described by the Church) in ancient times was connected to royalty – the emperor and kings would wear this color as a sign of their status. When Jesus was undergoing his Passion and death, the soldiers placed a crown of thorns on His head and a purple cloth around Him to mock Him in his Kingship (Mark 15:17). Purple thus became associated with Jesus' Passion and death. Overtime, the symbolism of violet has been associated with repentance from sin. Violet carries with it the idea of sorrow for the times we have turned away from God. This is why the priest will wear a violet stole while hearing confessions. It should be noted that the priest could also wear violet while celebrating a funeral mass as a sign of mourning and the need for the living to offer prayers and acts of penance for the departed soul. The color violet during the seasons of advent and lent should make us think of Christ's passion, our need for penance, and the Kingship of Jesus – Christ the King of the Universe!

# Faith Formation

Lent has begun. Perhaps you gave something up you like to eat, or you gave up something you like to do a lot. Lent does not mean you must give something up. You can refrain from overindulging in something, but you can also help in many ways. Almsgiving is a way you can help people in your own neighborhood who may need that extra help to get through difficult times, especially with this pandemic of Covid19. Maybe you can volunteer at a soup kitchen or help out in Social Ministry or lend a hand to your neighbor during Lent. Think about a habit that has kept you from being whom God is calling you to be. Consciously give up that habit for Lent. If you can, go to daily Mass or even read daily reflections. There is so much you can do so that you can make changes in your life to become a better person not only for yourself, but with others and become closer to God.

The Faith Formation Parents have been notified regarding Confirmation. It will take place on Wednesday, May 26, 2021 at St. William the Abbot Church. Due to this pandemic, it will only be the Confirmandi, Sponsor and the Parents. Also, an email went to our Second Grade Parents to sign up for Reconciliation. Please sign up for the date and time that will work for you and your children.

## St. William the Abbot Community

The Seaford/Wantagh Girl Scout 12th grade Ambassador Troop #3038, Madeline, Mary, Emily, Amanda, Julia, Julianne, Emily, and Elizabeth donated 20 Valentine's Day gift bags for children to our Social Ministry office.

# St. William the Abbot School

Class 2-2 is very busy! In Religion we are learning that God always loves us and is willing to forgive us. This is the beginning of our preparation for Reconciliation.

In Social Studies we are learning about the different types of locations and reading maps. The children made a Map Grid of our classroom. The children took turns giving the location of a classmate using the coordinates on the Map Grid.

In ELA the children wrote about a Snowy Day. Each child then made a special watercolor picture to attach to their writing. Also, we participated in the program, "P.S. I love you." The children wrote a message to a fellow classmate describing how wonderful they are.

Every day there is something new to learn in second grade!

## #WEARESTWILLIAMS

Ms. Alaimo's Pre-K Class is ready to spread the love for Valentine's Day! The students painted a canvas with a paper towel and mounted hearts to pretend they were blowing kisses. The students will give this as a special gift to their families!

### **What is RCIA?**

RCIA stands for the Rite of Christian Initiation of Adults, and it is the process by which unbaptized adults become Catholic. It is also the way those baptized in other Christian faiths to enter into full communion with the Church by receiving Communion and Confirmation, or for baptized Catholics to complete these sacraments if they haven't already.

### **How long does it take to become Catholic?**

There is not a one size fits all answer to that question. Adult baptisms for Catechumens usually take place at the Easter Vigil, the night before Easter Sunday. Ideally the process would last most of a year or longer depending on the situation. For a baptized Christian of another faith community, the process could proceed rather quickly, only a few months, or longer depending on their own formation and participation in their present faith community. For Catholics who are missing sacraments the process can take a few months or longer.

### **Why is it important for a baptized Catholic to complete their sacraments?**

Baptism is the entryway into life with Christ, but no one is fully initiated until they receive Confirmation and Eucharist. Confirmation is also needed in order to become a Godparent or Confirmation sponsor, or for marriage to another Catholic with a few exceptions. Eucharist is the summit and source of our faith, and if we can't receive it we are missing out on the graces we receive through Holy Communion.

### **Are their tests or homework?**

The simple answer is no! However we encourage Catechumens and Candidates to read and explore things on their own, to keep a journal of their thoughts, insights and questions, and to talk things over with sponsors. Of course we expect them to attend Sunday Mass with the parish community and get involved.

### **Can you become Catholic if you are divorced?**

Yes, but with caveats. It depends on the situation of the previous marriage, and that of the current spouse, if there is one. Some marriage situations are easy to rectify and some take a bit longer. Marriage situations do not preclude candidates from attending sessions to prepare to enter the Church. One of our priests will assist the candidate in this regard.

### **What are these rituals?**

There are a number of rituals that occur at a Sunday Mass. These are steps, so to speak, to enter the Church. They are public rites, and the parish community prays with the Catechumens and candidates at this time. For those who will be baptized at Easter, they will come together.

### **How much does all this cost?**

One of the best things about RCIA is that it is FREE!

### **I am already Catholic, why should I know about RCIA?**

We all may know family members or friends who are not Catholic but may have shown some interest in our faith, or those who have not completed their sacraments. As Catholics we are called, by Christ, to share the Good News with others. This might mean making suggestions to others that they explore Catholicism. If you know about RCIA you can let them know about it and how to go about getting started.

### **What does Catechumen mean?**

There are a lot of churchy words in RCIA. A Catechumen is a person preparing for Baptism. It is an ancient term meaning one who receives instruction by word of mouth. A candidate is someone from another Christian faith or a Catholic preparing for Confirmation. There are other words that are learned as the person goes along in the process.

### **What do RCIA sessions look like?**

Sessions are usually held once a month on Sunday after Mass. We meet, discuss the Sunday scriptures, and then have a presentation on Catholic teachings. Sessions are informal and are not classes but faith sharing and exploration of our relationship with Christ, always striving to go deeper into that relationship with God and the Parish community. Our textbook is the Bible, videos, and other materials exploring the Catholic faith.

### **What is a sponsor?**

A sponsor is someone who accompanies a person on their RCIA journey. Sponsors are usually from the parish community, but sponsors may be chosen by the person if the sponsor is a practicing Catholic who has received all their sacraments of Initiation and is in good standing with the Church. A Catechumen may also choose Godparents in addition to a sponsor.

### **Can children be in RCIA?**

RCIA sessions are geared for adults. However children do take part in certain rituals that are part of the process. They are usually catechized through the parish school or faith formation. In cases with older children or teens, there may be specific sessions set up for them and their parents.

### **Can I accompany someone to RCIA sessions?**

Of course! Many Catholics who join a relative or friend at sessions find that they learn things about the Catholic faith that they did not know before. It also gives the Catechumen or Candidate someone else to discuss things with after the sessions.

### **How does someone get started in RCIA?**

Go to our website at [stwilliam.org/rcia](http://stwilliam.org/rcia). Fill out the registration form and the Inquiry form and email it back to [rcia@stwilliam.org](mailto:rcia@stwilliam.org). You will be contacted by our coordinator regarding starting sessions.
