# Epiphany 2022

## **“We have seen his star in the East, and have come to worship him”**

I remember in the fall and early winter of 1999 there was a lot of talk about a possible crash due to Y2K. All the bank accounts would be wiped clean, the computers and robots would take over, all of our personal information would be public and spread throughout the world, and it was going to be the collapse of culture and society as we know it. And then January 1st came, and everything was fine. This year maybe you heard a rumor that all iPhones may crash and delete, or the destructive Tik Tok challenges, or maybe your favorite TV show or Netflix series would go off the air. More often than not these ridiculous rumors become distractions that keep us glued to our TV and computer screens and prevent us from looking up at the world racing by us. As we enter into this New Year of 2022, and the continued celebration of the Parish's 95th anniversary, we are challenged to take the focus off ourselves and our technological screens and look up at the bright lights that God is placing before us.

The feast of the Epiphany is the celebration of the manifestation and presentation of the Messiah to the rest of the world – to pagans and non-believers. This Christ Child was not just for the Jews but for all who would be willing to come, to know, to adore, and to worship. But let's face it, the innkeeper, the local townsfolk, King Herod, and the priests of the temple were all too busy to recognize that Jesus had entered into the world right in front of them. And so, it was those who were not necessarily the “chosen people” who first encountered Our Lord – the shepherds, the Magi, and the angels. We have a unique opportunity to be reminded and reawakened as we celebrate this Epiphany feast day and journey into this New Year. But we have to refocus and look up!

What has the past week looked like for you? Have you as a family engaged in quality time together? Deep, meaningful conversations? Strengthening of relationships with your spouse? Kids? Siblings? The Lord encourages us to direct our eyes up – if you have not done so already – to take a personal inventory of your life, family, and loved ones – and ask yourself where is your focus? Where is your time scheduled in your calendar or phone? The last thing we need is more screen time – social media, national news outlets, video games or Netflix series – these are “supposed” to keep us more connected, but we know that never in the history of the world has humanity been more isolated and alone. The Incarnation – where the God of ‘way up there’ comes to us and lives among us is a mission of physical presence. The Shepherds and Wise Men knew that and paid attention to the star, and the signs in front of them. Can we say the same? Are we paying attention?

It's time for a personal epiphany, or an “aha moment.” We have the ability now to be intentional and focus our direction and attention on the things that will get us to heaven and not mindless distractions and time wasters. The Lord understands that life is busy and that we have responsibilities for ourselves and the ones we love, we are all part of the Human Experience. Jesus does not shy away from our messiness and imperfections but desires to enter in – but He will not force Himself on us – we must invite Him. When we choose to open ourselves up to a personal relationship with Jesus, we project a willingness to reveal our baggage – but know our God is merciful, forgiving, and loving. That is a message of Good News – the actual meaning of the word Gospel. When we are presented with good news, we have a desire and responsibility to tell others.

In 2022 what will that look like for you? Will it be an invitation of a neighbor or friend to attend Mass with you at St. William's? Or discerning as a family if Catholic school is the place for your kids or grandkids? Maybe it is bringing someone to morning Adoration and confession, or another prayer devotion that we offer in the parish? The disciples of John the Baptist reported back to him all the amazing things that Jesus was doing – “the blind could see, the deaf could hear, the lame could walk, and the dead were raised.” The hope is we can say the same about the movement and ministries here, that Jesus is working through our gifts and talents and providing healing, relief, hope, forgiveness, faith, and love.

May I invite you to take some time this week and discern what your faith experience will look like in this New Year. Of course – daily prayer, grace before meals, reading the scriptures and Sunday Mass are on the top of the list for 2022. But also return to the basics - honor God, reconnect with the community, express gratitude, and dialogue with God regarding your blessings and challenges – and the hopes of what is to come. Trust me you will not be disappointed when you allow for more time with God. Remember the beauty of the scriptures from just a few days ago when the angels said: “I proclaim to you good news ... that will be for all the people... today in the city of David a savior has been born for you who is Christ and Lord.” Jesus brings to us Light, Hope, Peace, and Love to dwell with us, our families, our nation, and our world... and that my friends is the epiphany, the good news we are entrusted to tell others about. Continued Merry Christmas and a Happy New Year!

Peace,

January 2, 2022

Dear Parishioners and St. William the Abbot School Parents,

The Parish of St. William the Abbot will prepare to celebrate its 95th anniversary! We have planned a special celebration for our parishioners and school families to celebrate our past and prepare for a future that will be as vibrant and productive as our past, with God-centered in our mission.

Save the date and plan to join us on Saturday, March 12, 2022, for a special 95th Anniversary Liturgy at 5 pm in the church, then immediately after, we will celebrate with our 95th Anniversary Gala Ball at the Memorare Knights of Columbus at 6 pm.

As a part of our celebration, we are working on a Journal that will be distributed. The journal will feature pictures and parish history and undoubtedly be a keepsake from this special year. I ask you, parishioners and school parents of St. William the Abbot, to consider taking an advertisement in the journal. We have so much to be grateful for and to celebrate.

The Journal Form outlines the various options available. Please attach a camera-ready print or personal message to the form. You can also email your journal add to [priests@stwilliam.org](mailto:priests@stwilliam.org). Please return your ad and payment, check or cash to the Rectory by February 4.

Thank you, and may God bless you for your generosity, Pray that the 95th anniversary may be an occasion for renewal and spiritual growth for the entire campus of St. William the Abbot.

Sincerely,

Rev. Joseph H. Fitzgerald  
Pastor

## Saint John Bosco

Saint John Bosco had an important dream as a child. He dreamed that he was teaching children about God. When he grew up, his life was like that dream!

He juggled and did tricks to get kids to listen to him, then he could teach them about God and they would all go to Mass together.

Follow the dot-to-dot to draw gold, frankincense, and myrrh.

Where is the newborn King of the Jews?

Homage means worship!

We have come to give him homage.

## Gospel

The Magi saw a star rise over Bethlehem and followed it to visit baby Jesus. They brought Him gifts of gold, frankincense, and myrrh.
