Later gentiles were admitted to the church. Then the question of how these gentiles should be admitted to the church arose. Then the question of how these gentiles should be admitted to the church arose. Two opinions came up regarding the manner of admission. Judainers argued that the gentiles needed to be circumcised as per their Jewish practice before they were baptized and admitted into the church. Some others argued that there was no need for circumcision because those who accepted the faith in Jesus Christ were free from Jewish scriptures.

III. State weather True or False

IV. Define the following (Any Five)
   1) How can we complete prayers for seven canonical Hours while praying twice a day? The offices for None, Vespers and Compline are combined for Evening Worship and those for Nocturn, Matins (Prime), Terce and Sext for the morning worship.

What differences do you find between three special prayers and the common prayers of those prayers from the common prayers used in other seasons? During these days of fast, the prayers of canonical hours are said as three devotions - morning, noon and evening worship. The noon worship should be done at noon itself. The prayers for the canonical hours of Terce, Sext and None are included in the noon worship. At the end of noon worship forty prostrations are done during these lenten days.
      Those who are too busy with their work during day time should do this worship along with the morning prayers.

V. Write a paragraph each (any three)
   1) What are Canonical Hours? One day was divided into sixty ‘Naazhikas.’ One hour was equivalent to two and a half ‘Naazhika.’ A time unit consisting of seven and a half ‘Naazhikas’ was called a canonical hour. The first canonical hour that comes after dawn (6 am) is called Terce (9 am). The next canonical hour comes three hours (or seven and a half ‘Naazhika’) later and is called Sext (12 noon). This canonical hour is followed after three hours by the Hour called None (3 pm). Again after three hours comes the Hour of Vespers (6 pm). Besides these five canonical hours during day time, we have Compline (9 pm) and Nocturn (12 midnight) during night. These hours are called canonical hours because prayers are prescribed for each of them. Thus we have seven canonical hours a day and the prayers prescribed for them are known as the Canonical Hours.
   2) Prepare a chart of the seven canonical hours and their relationship with Christ’s Passion:
      a) Nocturn : Jesus Christ is taken captive (St. John 18:12)
      b) Matins (Prime) : The trial of Jesus (St. John 18:28)
      c) Terce : Pontius Pilate sentences Jesus to be crucified. (Three hours after dawn)
      d) Sext : Crucifixion of Christ (St. Mathew 27:45)
      e) None : Christ dies (Three hours after noon) (St. Matthew 27:46)
      f) Vespers : Jesus Christ is taken from the cross (St. Matthew 27:57)
      g) Compline : Jesus Christ is entombed (Compline = guard) (St. Luke 23:54)

Laziness includes omission of duties as well as reluctant execution of duties.

The sky and the earth were created when God said ‘Let them be’ (Genesis 1:7-9). That is why they are picturised as two sisters born immediately after
the word of creation was uttered by God. The lines that follow are a description of nature. The sky stands above the waters. The earth carries and contains water. When God created and divided earth and the sky a beautiful chamber called the atmosphere arose in between them. O God the sophistication and intricacy of your creation is praise worthy.

4) What are the three incidents mentioned from Bible in the Hymn “Church confounds .......... question virgin giving birth”? The church points out to the heretics who question the virginhood of St. Mary. Three incidents in the Holy Bible which prove St. Mary’s virginity. They are the tree that bore a miraculous fruit (Genesis 22:13), the hard rock that gave water (Exodus 17:6) and fish of sea which gave forth coin (St. Matthew 17:27).

When Yahweh forbade Abraham from offering Issac as a sacrifice, Abraham saw a ram caught in a thicket by its horns. This ram was taken and offered to Yahweh. This incident is described as “the tree providing forth a lamb.”

When the Israelites thirsted for water in Meribah, God commanded Moses to smite a rock with his rod and water gushed forth to quench their thirst. This is described as the stubborn flint providing water. When Caesar’s men came to collect tax, Jesus Christ asked Peter to cast a fish line in the sea. When Peter opened the mouth of the first fish he caught he found a coin (Esthera). This coin was given as tribute money (tax) for Jesus Christ and Peter.

V. Write a paragraph each (any three)
1) Our church does not accept the council of Chalcedon. Why?
The heresies which arose in the fifth century AD were advocated by Eunomius and Apollonius. They spread heresies following the footsteps of Nestorian teachings. The controversy was regarding how the divine and the human natures were commingled in Jesus Christ. The Council of Chalcedon was convened in AD.451.

St.Cyril of Alexandria was the strong defender of orthodoxy against the Nestorian heresies, He opposed the heresy of Nestorios. St. Cyril is described as the “exalted and veritable tower of knowledge who expounded the doctrine of the incarnation of God the Word, our Lord Jesus Christ declaring and showing clearly that He became incarnate.”

The Alexandrian Fathers argued that the ‘two natures are wonderfully joined, but not mixed in Jesus Christ. However the Chalcedon party, led by Rome and Constantinople emphasized ‘two-natures’; and condensed those who appeared them as ‘Monophysites.’

Patriarchs of Rome and Constantinople (Tome of Leo) conspired together against St. Dioscoros of Alexandria in the council of Chalcedon and Pope Leo of Rome imposed his two nature theory of Christ in the Council of Chalcedon.

St. Timothy also fought against the ‘two nature’ theory of Christ and a strong defender of Orthodoxy. He headed a counter council against the doctrines of the council of Chalcedon. Who are the foremost defenders of Orthodox faith during the time of the synod of Chalcedon?

Those who followed the teachings of Mar Jacob Baradeus were often mockingly called ‘Jacobites.’ Mar Jacob Baradeus became the episcopa of Edessa in AD 542. He ordained about twenty bishops and thousands of priests and deacons while living in hiding in Egypt, Syria and Babylon. He overcame the cruel persecutions of the opposing factions which had great political influence.

II. Answer the following: (Any Five)
   i. Explain the meaning of the word ‘Catholic.’? The word ‘Catholic’ originates from the Greek word ‘Katholike’. It means “with reference to the whole” and ‘comprehensive.’
   ii. What is the meaning of ‘Orthodox.’? This Greek word means “praising God in the right manner.”

III. Fill in the blanks: (Any Five)

IV. State weather True or False

V. Define the following (Any Five)
   1) What was ‘Filioque’ controversy? The creed states that the Holy Spirit “proceeds from the Father and is worshipped and glorified along with the Father and the Son.” However in the sixth century AD the Roman Catholic (Latin) church altered it as “proceeds from Father and the Son.” In Latin language the word for “from the Son” is ‘Filioque.’ The Orthodox churches opposed the inclusion of this word in the creed. This is known as ‘Filioque controversy.’
   2) What is the Orthodox teaching regarding the Holy Spirit? The Holy Spirit makes human beings good and makes them claimants for the kingdom of God. We receive the Holy Spirit through the anointment of Holy Chrism during the Holy Baptism. The Holy Spirit purifies us and resides in us through the Holy Eucharist and other sacraments. The fruit of the spirit is visible in those in whom the Holy Spirit resides (Galatians 5:22-23).
   3) How can we prove that the Holy Trinity is the One True God? If we say that the Holy Spirit also proceeds from the Son, it will create misunderstanding regarding The Holy Trinity. People might think that there are two sources of Origin in the Holy Trinity and would think that the Holy Spirit is inferior to Father and Son. Moreover in the gospels Jesus Christ describes the Holy Spirit as the “Spirit of truth, which proceeds from the Father” (St. John 15:26). A Bible passage which proclaims that the Father, Son and the Holy Spirit are one is seen in 1 John 5:8.
   4) Why do we anoint members of some other churches with Holy Chrism before receiving them as members of our church? The Holy Church is the community of believers who have joined with Jesus Christ through the Holy Baptism. The Holy Spirit makes human beings good and makes them claimants for the kingdom of God. We receive the Holy Spirit through the anointment of Holy Chrism during the Holy Baptism.
   5) What was the heresy regarding the Holy Spirit? “The Holy Spirit is the Lord and the Giver of Life to everything. That means he is the creator, the True God and equal to Father and Son. The creed states that the Holy Spirit “proceeds from the Father and is worshipped and glorified along with the Father and the Son.” However in the sixth century AD the Roman Catholic (Latin) church altered it as “proceeds from Father and the Son.”
6) Describe the ‘Filioque’ controversy briefly? In Latin language the word for “from the Son” is ‘Filioque.’ The Orthodox churches opposed the inclusion of this word in the creed. This is known as ‘Filioque controversy.’ One of the reasons why the Byzantine (Greek) Orthodox churches severed its Fellowship in the Holy Eucharist with the Catholic Church in AD 1054 is the inclusion of this word in the creed of the church.

VI. Write a paragraph each (any three)
i. What are the four descriptions of the church in the creed?
   There are four descriptions given to the church in the Creed. The church is Catholic (universal) Apostolic, One and Holy.
   a. The word ‘Catholic’ originates from the Greek word ‘Katholike’. It means “with reference to the whole” and ‘comprehensive.’ The church has spread to all continents and all tribes. Only the Orthodox Church has the comprehensiveness and authenticity of faith. That is why it is known as the Catholic (universal) church.
   b. ‘Apostolic Church’ means the Church that preserves the Faith and Tradition of the Apostles. Ours is the church founded by Apostole St. Thomas. We follow the faith and tradition received from him.
   c. ‘One’ church refers to the church founded by Jesus Christ. Those who follow heresies are not members of the One church.
   d. God alone is holy. The church is called ‘holy church’ because it is the body of Jesus Christ and the Holy Spirit resides in it.
