

Crystal Name	Other Common Names	Description	Numerology	Astrology	Centers/Chakras	Elements	Colors	Mineral Content	Mohs Hardness	Hexagram Alignment	Issues Addressed	Druid/Shaman Use	Bi/Geometry Notes
Agate	Banded Agate, Moss Agate, Fire Agate, Picasso Agate (varieties)	Earth Element stabilizer for body and field. Grounds the aura and harmonizes yin-yang flow, bringing nervous system ease and emotional safety.	6	Taurus, Virgo, Capricorn	Root, Spleen	Earth	Various (banded patterns: white, gray, brown, red, blue, green)	Silicon dioxide (chalcedony variety)	6.5-7	15 (Modesty), 52 (Keeping Still)	Nervous system regulation, emotional safety, grounding anxiety, electromagnetic sensitivity, immune resilience, yin-yang imbalance	Protection amulets, earth altar stones, grounding rituals, journey work anchoring, threshold guardianship	Centering properties through banded layering; natural wave-form harmonics
Amber	Fossilized Resin, Baltic Amber, Copal (younger form)	Fossilized sunlight carrying ancestral warmth. Soothes the nervous system and lifts emotional heaviness. Supports Spleen (electromagnetic immunity and radiance) and Solar Plexus awareness for gentle empowerment.	3	Leo, Gemini, Aquarius	Spleen, Solar Plexus	Fire, Air	Golden-yellow, honey, orange, cognac, rarely green or blue	Fossilized tree resin (organic, not mineral)	2-2.5	50 (The Caldron), 42 (Increase)	Electromagnetic sensitivity, ancestral trauma, thyroid imbalance, stagnant grief, nervous exhaustion, immune fragility	Sun ceremony offerings, ancestral healing, protection from psychic attack, life-force restoration, weather magic	Organic structure holds ancient life-force frequency; natural piezoelectric properties
Amethyst	Purple Quartz, Chevron Amethyst, Dream Amethyst	Violet ray of Presence and lucid awareness. Clears mental noise, soothes the emotional field, and opens subtle perception. Aligns Solar Plexus awareness with Crown for spiritually fueled feeling and insight.	7	Pisces, Aquarius, Virgo	Solar Plexus, Crown, Ajna	Air, Presence	Light lavender to deep purple, violet	Silicon dioxide with iron and aluminum impurities	7	20 (Contemplation), 37 (Family)	Mental fog, addiction patterns, insomnia, emotional overwhelm, spiritual disconnection, psychic vulnerability	Dreamwork, vision quests, psychic protection, divination, crown activation, sobriety support	Violet frequency carries centering properties; natural resonance with pineal activation
Apophyllite	Green Apophyllite, Clear Apophyllite, Stibole on Apophyllite (cluster form)	Crystalline mirror of pure Presence. Opens pathways to galactic, higher perception, and clarity of truth. Resonates with Ajna and Crown while keeping G-Center anchored in authenticity.	9	Libra, Gemini, Aquarius	Ajna, Crown, G-Center	Air, Presence	Clear, white, green, peach	Potassium calcium silicate hydroxide fluoride hydrate	4.5-5	61 (Inner Truth), 20 (Contemplation)	Spiritual disconnection, lack of clarity, blocked intuition, anxiety, astral fog, decision paralysis	Angelic communication, Reiki grid amplification, interdimensional travel, truth ceremonies, light body activation	Pyramidal terminations create natural centering fields; high-frequency light transmission
Aventurine	Green Aventurine, Blue Aventurine, Red Aventurine (color varieties)	Green current of renewal and growth. Calms the emotional body and supports the G-Center in opening to trust, compassion, and new timelines.	8	Aries, Taurus, Virgo	G-Center, Heart/Ego	Earth, Water	Green (most common), also blue, red, orange, yellow	Quartz with fuchsite or hematite inclusions	6.5-7	3 (Initial Difficulty), 42 (Increase)	Closed heart, fear of change, scarcity mindset, stagnant growth, compulsions	Prosperity magic, heart opening rituals, garden blessing, manifestation grids, fertility rites	Sparkling inclusions create scattered light harmonics; natural abundance frequency
Azurite + Malachite	Azumalchite, Bluebird Stone	Fusion stone for aligned transformation. Azurite refines Ajna perception; Malachite clears and empowers the G-Center and Heart/Ego center. Supports truthful identity, courageous will, and emotional rebirth.	11	Scorpio, Sagittarius, Capricorn	G-Center, Heart/Ego, Ajna	Air, Earth	Deep blue (azurite) with green bands/swirls (malachite)	Copper carbonate hydroxide (both minerals)	3.5-4	49 (Revolution), 32 (Duration)	Identity confusion, power misalignment, psychic overwhelm, blocked vision, emotional stagnation, courage depletion	Vision quests, power retrieval, shamanic journeying, transformation ceremony, third eye activation	Copper content enhances energy conductivity; dual-frequency balancing through color contrast
Honey Calcite	Golden Calcite, Amber Calcite	Warm solar honey of clear confidence. Supports Solar Plexus as an emotional awareness center, helping you feel your truth, and strengthens the Heart/Ego center for steady, embodied will.	4	Leo, Virgo, Aries	Solar Plexus, Heart/Ego	Fire, Earth	Golden yellow, honey, amber	Calcium carbonate	3	14 (Possession in Great Measure), 25 (Innocence)	Low confidence, unclear boundaries, will depletion, emotional numbness, power leakage, self-worth wounds	Solar magic, personal power restoration, confidence rituals, sun wheel ceremonies, fire element balancing	Rhomboidal structure amplifies energy; golden frequency supports solar plexus balancing
Carnelian	Red Agate, Sard (darker variety)	Ember of creative courage and life-force. Enlivens Sacral creativity and Heart/Ego will, supporting action that is sourced from genuine desire, not pressure. Helps the Solar Plexus feel safe to fully experience emotion.	1	Aries, Leo, Virgo	Sacral, Heart/Ego, Solar Plexus	Fire	Red-orange, rust, deep red-brown	Silicon dioxide (chalcedony variety with iron oxide)	6.5-7	51 (The Arousing), 1 (Creative)	Creative blocks, low libido, courage depletion, apathy, sacral shame, performance anxiety, vitality drain	Warrior initiation, creative fire rituals, sexuality rites, courage ceremonies, blood magic (symbolic)	Red-orange frequency stimulates life force; iron content grounds energy into form
Chlorite	Green Phantom Quartz (when included in quartz), Seraphinite (chert-like variety)	Green frequency of cellular and field purification. Clears stagnant energy and supports Spleen awareness for intuitive health choices and strong immunity. Gently reassures the Solar Plexus so emotions can move instead of store.	4	Virgo, Capricorn, Taurus	Spleen, Solar Plexus, G-Center	Earth, Water	Deep green, forest green, sometimes with sherry sheen	Phyllosilicate mineral group (complex iron magnesium-aluminum silicate)	2-2.5 (soft)	27 (Nourishment), 48 (The Well)	Toxin accumulation, immune weakness, energetic congestion, cellular memory, emotional stagnation, parasympathetic dysfunction	Healing grids, detox ceremonies, nature connection rituals, plant spirit medicine, environmental clearing	Green ray carries natural healing frequency; supports lymphatic and immune balance
Chrysocolla	Gem Silica (pure form), Elat Stone (with malachite and turquoise)	Sacred river of truth and gentle power. Soothes the Solar Plexus emotional field and opens the G-Center for selflessness and authentic direction. Supports the throat for heartaligned expression.	5	Gemini, Virgo, Taurus	G-Center, Solar Plexus, Throat	Water	Blue-green, turquoise, aqua	Hydrated copper phyllosilicate	2-4 (variable, often stabilized)	43 (Breakthrough), 61 (Inner Truth)	Suppressed truth, throat blocks, emotional dysregulation, fear of speaking, feminine wound, communication anxiety	Goddess invocation, water blessing, voice activation, truth ceremonies, divine feminine hearing	Copper content supports energy flow; water element signature calms nervous system
Citrine	Natural Citrine, Heat-Treated Citrine (common), Lemon Quartz (pale variety)	Crystallized sunlight of joyful manifestation. Illuminates Solar Plexus awareness, helping you feel whole true confidence lives, and energizes the Heart/Ego center for clean, aligned will.	3	Leo, Gemini, Aries	Solar Plexus, Heart/Ego	Fire	Pale yellow to golden brown, honey, amber	Silicon dioxide with iron impurities	7	55 (Abundance), 14 (Possession in Great Measure)	Scarcity mindset, low confidence, depression, manifestation blocks, will weakness, joy depletion	Abundance magic, sun ceremonies, merchant stone rituals, prosperity grids, joy invocation	Golden frequency activates solar plexus; natural quartz amplification with fire element
Dolomite	Pink Dolomite, Pearl Spar	Soft stabilizer for body and field. Grounds the Heart/Ego center so willpower becomes sustainable and kind to the body. Brings coherence between G-Center direction and physical reality.	6	Capricorn, Virgo, Taurus	Heart/Ego, G-Center, Root	Earth	Pink, white, gray, colorless, sometimes banded	Calcium magnesium carbonate	3.5-4	52 (Keeping Still), 15 (Modesty)	Burnout, overextension, body disconnect, unsustainable will, grounding difficulty, integration challenges	Grounding after energy work, body-soul integration, earth blessing, centering rituals, restful magic	Calcium-magnesium balance supports nervous system; gentle centering frequency
Essential Quartz	Skeletonized Quartz, Jacarnt Quartz, Cathedral Quartz	Multilayered wisdom keeper of higher timelines. Bridges Crown, Ajna, and G-Center so your path, insight, and identity align with your highest expression. Supports emotional intention in the Solar Plexus as old cycles complete.	9	Sagittarius, Aquarius	Crown, Ajna, G-Center, Solar Plexus	Presence	Smoky, clear, amethyst, citrine (depending on inclusions)	Silicon dioxide with complex layered growth	7	63 (After Completion), 2 (Receptive)	Soul fragmentation, timeline confusion, spiritual bypassing, karmic completion, death/rebirth transience, dimensional integration	Soul retrieval, akashic access, death/soul work, past-life healing, multidimensional integration	Layered structure creates multi-frequency resonance; supports timeline integration
Fluorite	Rainbow Fluorite, Purple Fluorite, Green Fluorite (color varieties)	Orderbringer for mind and field. Clarifies mental patterns at Ajna while soothing Solar Plexus sensitivity so decisions feel clear, not overwhelming. Supports Spleen intuition for enhancement knowing.	7	Pisces, Capricorn, Libra	Ajna, Solar Plexus, Spleen	Air, Water	Purple, green, blue, yellow, clear, rainbow (banded)	Calcium fluoride	4	57 (Gentle Wind), 37 (Family)	Mental clutter, decision paralysis, electromagnetic sensitivity, learning blocks, sensory overwhelm, focus issues	Study magic, mental clarity rituals, protection from psychic interference, focus ceremonies, energy structuring	Cubic and octahedral structures create natural order; supports electromagnetic field coherence
Fossil	Fossilized Shell, Ammonite, Orthoceras, Trilobite (specific types)	Stone of ancient memory and lineage. Grounds the G-Center into the larger story of Earth and ancestry, offering a deep sense of place and continuity. Supports Spleen and immune wisdom through connection to longstanding natural cycles.	8	Capricorn, Taurus	G-Center, Root, Spleen	Earth	Gray, brown, black, cream (varies by host type)	Mineralized organic remains (calcium carbonate, silica, others)	3-7 (depending on mineralization)	23 (Splitting Apart), 2 (Receptive)	Disconnection from lineage, rootlessness, time anxiety, ancestral trauma, immune confusion, evolutionary blocks	Ancestral tracing, earth wisdom ceremonies, time travel meditation, death acceptance rituals, evolutionary magic	Ancient life forms carry time-encoded frequencies; natural spiral patterns (ammonites) create centering
Goode	Amethyst Goode, Quartz Goode, Celestite Goode (by interior crystal)	Outer shell, inner temple. Invites you inward, from surface to essence. Supports the G-Center in discovering inner light and the Solar Plexus in gently feeling what is true.	2	Capricorn, Scorpio	G-Center, Solar Plexus	Earth, Presence	Exterior: brown, gray, interior: varies (clear, purple, white, blue)	Varies (quartz, calcite, amethyst, celestite most common)	Varies by interior (typically 3-7)	29 (The Abyssal/Water), 36 (Darkening of the Light)	Surface living, spiritual bypassing, inner disconnection, false self, meditation resistance, introspection difficulty	Meditation altars, womb healing, cave consciousness rituals, inner world journeys, dream container magic	Hollow structure creates resonant chamber; natural amplification and centering within enclosed space
Herkimer Diamond	Herkimer Quartz, Diamond Quartz	Highly clarity attainment crystal. Amplifies subtle perception, dreamwork, and Crown/Ajna alignment while keeping G-Center true to self. Helps the Solar Plexus read emotional frequencies with precision rather than overreaction.	11	Sagittarius, Aries	Crown, Ajna, G-Center, Solar Plexus	Presence, Air	Clear, water-clear with exceptional clarity	Silicon dioxide (doubly-terminated quartz)	7.5	1 (Creative), 61 (Inner Truth)	Dream recall issues, attunement difficulty, frequency sensitivity, spiritual disconnection, clarity blocks, energy field fragmentation	Vision quests, dreamwork, astral travel, light body activation, master healer grids, frequency attunement	Double termination creates bidirectional energy flow; exceptional clarity supports light transmission
Lapis Lazuli	Lapis, Afghan Lapis (highest quality)	Stone of royal truth and inner authority. Activates Ajna and Throat so the G-Center can speak from its true direction. Encourages the Heart/Ego center to express will in integrity, not performance.	3	Sagittarius, Aquarius	Ajna, Throat, G-Center, Heart/Ego	Air, Presence	Deep blue with golden pyrite and white calcite flecks	Lazurite with pyrite, calcite, sodalite	6-My 4	4 (Youthful Folly), 43 (Breakthrough)	Suppressed truth, authority wounds, throat blocks, false power, integrity breaches, self-expression fear	Truth ceremonies, sovereignty rituals, pharaonic magic, third eye activation, inner king/queen work	Royal blue frequency activates higher mind; pyrite inclusions ground spiritual insight
Malachite	Peacock Stone, Velvet Malachite	Deep transformer for stored emotion and power. Draws density out of the Solar Plexus emotional field and supports the G-Center in choosing new trajectories. Strengthens the Heart/Ego center so willpower serves the heart, not fear.	9	Scorpio, Capricorn, Taurus	Solar Plexus, G-Center, Heart/Ego	Earth	Rich green with banding patterns, sometimes banded	Copper carbonate hydroxide	3.5-4	49 (Revolution), 51 (The Arousing)	Repressed emotion, power misuse, heart armor, transformation resistance, fear patterns, emotional stagnation	Shadow work, power reclamation, emotional extraction, transformation ceremonies, underworld journeys	Copper content enhances conductivity; banded patterns create wave harmonics for emotional release
Quartz Clear	Rock Crystal, Master Quartz, Crystal Quartz	Master amplifier and clarifier. Harmonizes all centers, magnifying whatever intention you bring. Aligns G-Center truth, Solar Plexus feeling, Spleen intuition, and Heart/Ego will into one coherent signal.	1	All signs	All centers	Presence	Clear, colorless, water-clear	Silicon dioxide	7	1 (Creative), All hexagrams (universal)	Universal amplifier for all intentions, energy fragmentation, lack of clarity, frequency misalignment	All ceremonies, master healer, intention programming, grid anchoring, scrying, light work	Piezoelectric and programmable; natural frequency generator and amplifier
Quartz Golden Healer	Golden Healer Quartz, Hematoid Quartz (similar)	Golden ray of restorative Presence. Bathes the Solar Plexus in warm clarity, inviting emotional healing and spiritual integration. Supports G-Center alignment with higher purpose and energizes Heart/Ego to act from that place.	10/1	Leo, Sagittarius	Solar Plexus, G-Center, Heart/Ego	Fire, Presence	Golden, amber, honey (iron oxide coating/inclusions)	Silicon dioxide with iron oxide coating or inclusions	7	50 (The Caldron), 24 (Return)	Emotional wounds, spiritual physical split, will depletion, solar plexus trauma, purpose confusion, healing integration	Master healer rituals, soul integration, solar magic, purpose alignment ceremonies, golden ray activation	Iron oxide creates golden frequency; combines quartz amplification with fire element healing
Quartz Lemon	Lemon Citrine (trade name), Sulphur Quartz	Bright, clearing frequency for mind and mood. Lifts the Solar Plexus emotional field and refreshes Ajna perception so your thoughts match your truth. Encourages a light, flexible sense of identity in the G-Center.	5	Gemini, Leo	Solar Plexus, Ajna, G-Center	Air, Fire	Pale yellow, lemon yellow	Silicon dioxide with sulfur or iron inclusions	7	57 (Gentle Wind), 13 (Fellowship)	Mental fog, emotional heaviness, identity rigidity, mood stagnation, cognitive inflexibility, pessimism	Mental clarity rituals, mood lifting, air element work, thought pattern clearing, cognitive flexibility ceremonies	Pale yellow frequency lightens emotional field; combines mental clarity with emotional uplift
Quartz Milky	Snow Quartz, White Quartz	Soft white cocoon of comfort. Wraps the Solar Plexus and Spleen in gentle reassurance so the body feels safe to rise. Supports G-Center in opening to tenderness, belonging, and self-acceptance.	2	Cancer, Pisces	Solar Plexus, Spleen, G-Center	Water	Milky white, cloudy white	Silicon dioxide with fluid and gas inclusions	7	2 (Receptive), 19 (Approach)	Hyper-vigilance, safety wounds, self-acceptance issues, belonging trauma, nervous system dysregulation, emotional armor	Womb healing, mother energy work, safe container rituals, gentle protection, self-love ceremonies	Milky appearance softens light transmission; creates gentle, non-demanding energetic field
Quartz Rutile	Rutilated Quartz, Angel Hair Quartz, Venus Hair Stone	Golden threads of focused intention. Aligns Solar Plexus emotional awareness with Crown vision so you can feel and act from higher will. Strengthens Heart/Ego resolve without forcing or strain.	11	Leo, Virgo, Aries	Solar Plexus, Crown, Heart/Ego	Air, Fire	Clear quartz with golden, copper, or black rutile needles	Silicon dioxide with titanium dioxide (rutile) inclusions	7	1 (Creative), 14 (Possession in Great Measure)	Manifesting blocks, will-spirit disconnect, intention diffusion, action paralysis, purpose confusion, energy leakage	Manifestation grids, focused intention work, illumination ceremonies, energy weaving, higher will alignment	Rutile needles create antenna effect; amplifies and directs intention with precision
Quartz Smoky	Smoky Quartz, Morion (very dark), Cairngorm (Scottish)	Protective anchor of grounded light. Draws dense energy down and out of the Solar Plexus and Spleen, supporting nervous system ease and immune steadiness. Helps the G-Center feel safe in its chosen direction.	8	Capricorn, Scorpio	Solar Plexus, Spleen, G-Center, Root	Earth	Smoky brown, gray brown to nearly black	Silicon dioxide with aluminum and natural radiation	7	52 (Keeping Still), 29 (The Abyssal/Water)	Anxiety, electromagnetic sensitivity, entity attachment, grounding difficulty, fear patterns, energetic pollution	Grounding rituals, psychic protection, underworld work, entity clearing, earth magic, shadow integration	Smoky color absorbs and transmits dense frequencies; natural radiation creates protective field
Rose Quartz	Pink Quartz, Love Stone	Soft field of unconditional love. Opens the G-Center to self-love, reciprocity, and gentle recalibration of identity. Soothes the Solar Plexus emotional body, making vulnerability feel safe.	6	Taurus, Libra	Solar Plexus, G-Center	Water	Pale pink to medium rose pink	Silicon dioxide with titanium, iron, or manganese	7	31 (Influence/Attraction), 37 (Family)	Heart wounds, self-love deficiency, emotional closure, vulnerability fear, relationship trauma, compassion fatigue	Love magic, self-love rituals, heart healing, Venus ceremonies, compassion work, divine feminine connection	Pink frequency opens heart gently; natural self-love and acceptance vibration
Selenite	Satin Spar (fibrous), Desert Rose (rosette form), Opium Flower	Columns of clear Presence. Sweeps stagnant energy from all centers and reconnects Crown, Ajna, and G-Center to higher realms. Creates a smooth channel so Solar Plexus feelings can flow without attachment.	8	Cancer, Pisces	Crown, Ajna, G-Center, Solar Plexus	Presence	White, clear, sometimes peach	Hydrated calcium sulfate (gypsum)	2	20 (Contemplation), 57 (Gentle Wind)	Energetic congestion, psychic debris, spiritual disconnection, mental clutter, emotional attachment, field fragmentation	Space clearing, light work, angelic connection, crown activation, energy hygiene, moonlight ceremonies	Striations create natural light channels; liquid light frequency for clearing and alignment
Septarian	Dragon Stone, Septarian Nodules, Septana	Dragonwood stone of ancient Earth and purpose. Grounds the G-Center into courageous life direction and fortifies Heart/Ego will for steady, long-term commitments. Supports Spleen instincts and bodily knowing in times of change.	7	Taurus, Capricorn, Scorpio	G-Center, Heart/Ego, Spleen, Root	Earth, Fire	Yellow brown calcite, gray brown aragonite, dark calcite veins	Calcite, aragonite, limestone with cracks filled with minerals	3.5-4	52 (Keeping Still), 32 (Duration)	Purpose confusion, commitment fear, instinct disconnect, long-term doubt, earth disconnection, patience depletion	Dragon energy work, earth wisdom ceremonies, patience rituals, long-game magic, power animal connection	Cracked pattern creates multiple resonant chambers; ancient formation holds deep earth frequency
Tourmalinated Quartz	Black Tourmaline in Quartz, Tourmaline Quartz	Clear Presence infused with protective grounding. Black tourmaline strands draw dense, static energy out of the field, while quartz amplifies clarity and choice. Supports Spleen (electromagnetic intuition and immune strength), Root grounding, and G-Center integrity under pressure.	7	Capricorn, Scorpio, Virgo	Spleen, Root, G-Center	Earth, Presence	Clear quartz with black tourmaline (schott) needles	Silicon dioxide with sodium iron aluminum borosilicate (tourmaline)	7	29 (The Abyssal/Water), 4 (Youthful Folly)	Electromagnetic sensitivity, psychic attack, aether presence, energy vampirism, boundary violations, grounding issues	Psychic protection grids, entity clearing, electromagnetic shielding, grounded clarity work, boundary magic	Tourmaline creates protective electromagnetic field; quartz amplifies and directs protective frequency
Chalcedony	Blue Chalcedony, White Chalcedony (color varieties)	Soft, unifying field of calm coherence. Gently smooths emotional edges and softens mental noise. Steadies the Solar Plexus emotional field, relaxes Spleen sensitivity, and nurtures G-Center belonging in connection.	2	Cancer, Sagittarius, Gemini	Solar Plexus, Spleen, G-Center, Throat	Water, Air	Blue, white, gray, pink, lavender	Silicon dioxide (cryptocrystalline quartz)	6.5-7	37 (Family), 19 (Approach)	Communication anxiety, emotional hardness, mental agitation, sensory overwhelm, belonging wounds, social anxiety	Communication ceremonies, community rituals, peace magic, gentle healing, throat chakra opening	Soft microcrystalline structure creates gentle, unifying frequency; natural peace and coherence vibration
