

Designing and Managing Cause-Driven Opportunities for Groups to Serve

Over 8 weeks, we have been watching young people and adults alike kindle each other's flames for justice. Each of our 10 summer sessions of Spark'Dwell brought new people with their own energy, passions, and skills that came together beautifully as they worked and served together in Forsyth County, North Carolina and Puerto Rico.

As we wrap up our fifth summer of Spark'Dwell, we are grateful for the many partners that make our program possible. Their support leads to bellies fed, supplies procured, and countless life-changing experiences for youth from all over the country. We feel immense gratitude!

Our 2025 staff absolutely crushed it this summer! We praise God for the leadership of these young adults and ask you to join us in prayer as they prepare for their next chapters. May they not soon forget the many ways the Holy Spirit moved through and around them this summer!
