

# SPARK'S PEARL PROGRAM

## WHO WE ARE?

Simply put, we're two soul sisters with a mission to bring others together and make our community a better place for all!

Amber Harris of SPARK (Share Peace and Rekindle Kindness) and Maggie Blankenship of Rusted Pearl Artisans present to you the SPARK's Pearl Program.

## WHAT'S THIS ABOUT?

Through our partnership with local organizations, we seek to provide needs that make a house a home, while affirming the dignity of our neighbors, and working to keep renewable items out of our landfill. Volunteers restore these items and give them new life providing comfort for an individual or family making a new home.

## WHAT WE DO?

SPARK designs and manages community service experiences in order to help our neighbors in need and spread kindness to all. Rusted Pearl Artisans is a small business dedicated to giving vintage and used items new life. Together, we are collaborating with local organizations with an eco-friendly focus on helping our community.

## HOW CAN YOU HELP?

We are in need of used furniture, restoration supplies, and basic care items. All furniture items will be repaired and restored for the program recipient. All donations of items, supplies, or monetary funds are tax deductible. You can also sign up as a volunteer for any of our service events!
